MINUTES OF A.N.C. WOMEN'S SECTION COMMITTEE MEETING HELD ON  
10th DECEMBER, 1970 AT ANC OFFICE AT 1p.m.

---

The Committee met in order to finalise arrangements for the Women's Section general meeting which was to be held on the 12th December, 1970.

It was reported that the Conway Hall had been booked for 3pm on the 12th December. Zanele Dlamini, Deana Levin and a speaker from the Women's Liberation Workshop had all ~~to~~ agreed to be speakers at the meeting. All members had been sent circulars about the meeting.

Adelaide Josephs was nominated to be Chairlady at the meeting. The Committee decided that all members who attended the meeting should supply their names, addresses and telephone numbers. These addresses would insure that changes of address could be noted by the Committee.

Other business;

- 1) The Committee decided to write letters to other women's organisations in Great Britain and offer our speakers to address their meetings. ✓
- 2) The next committee meeting to be held on the 14th January, 1971.
