Dear Comrade
Re- Surve of comrades who don't understand
EEgIIsh 8% various Branches in EazimEu.
. The department of political education intends conducting political
ciasses with the help of your committee to comrades who don't
understand English.
We are interested to know haw many of these people are there in the
various branches to be able to have discussions with them at a later
stage.
Can you then supply us with the necessary statistical.data as soon
as possible to enable us pommence with the campaign.
In the Year of United Mass Action for People's Pawer.
Yours comradely .
