We know that Vietnam defeated the United States , but there had been the Soviet Union, China and Cuba where revolution had been carried against Batista. Cuba is distant 90 miles from the U S A. There also had been the USSR . In Angola the revolution had been also Victorious and other revolutions succeeded such as Sandinists, revolution in South Africa and the Palestinian revolution. All these revolutions, in fact, even those which were not Marxist, had a backer. there is savage situations, the law of jungle... I prefer that the progressive forces should

I Will continue to
