Dear Gomad/e Tim

Re : Health ream work in Dar es Salaam.

WW

I refer to your letter of 7th May, 1986 on the above-mentioned subject. The directorate's concern on this subject is understandable. and ,to my thinking, realistic. The blame for this tmdcrsirable situation is with the Health team which was based in Dar es Salaam. Their waywardness and their conduct when they were based in Temeke II was absolutely unethical and politically repugnant and they had to be thrown out of our area.

I accept the recommendations of the directorate on this subject and will recommend placement of at least 3.303319 in Dar es Salaam. we shall give them all possible co-operation.
