Dear Comrade Thomas,

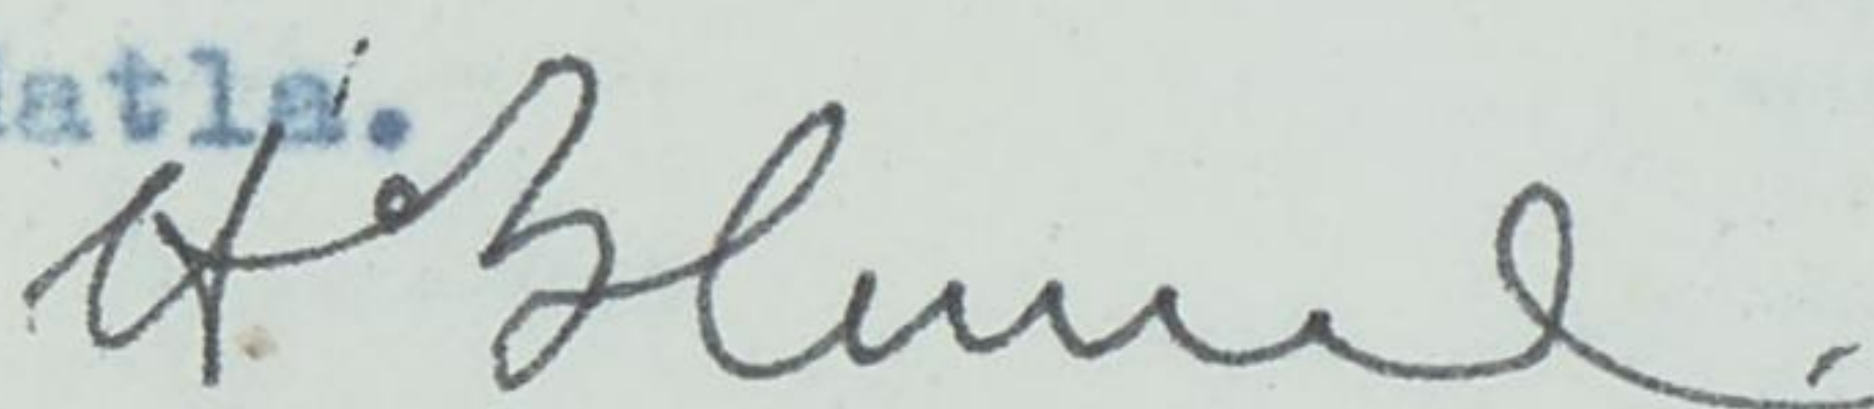

Re: Teacher - Mr. Bernard Ogley.

We are enclosing herein copy of our letter written to comrade Solly Smith, Chief Representative of the ANC, in which we request him to raise a ticket for this teacher who must be in Somafo in September.

We request that you intervene in order to ensure that the teacher arrives at Somafo in time.

Comrade T.G. we need to reiterate the fact that the staff situation is a pain in the neck of the Department of Education. The seriousness of this problem is borne out by the bad results that Somafo is producing. Warm regards.

Matla.
