Dear Comrade Shope,

RE: TITTLE DEEDS FOR DORA TAMANA NURSERY SCHOOL.

The ANC-SA Mission in the Republic of Zambia-Lusaka presents its compliments to your good office and has the honour to refer you to the above-mentioned matter.

Whilst I was at HQ (Johannesburg) I talked to Comrade Mac Maharaj and he confirmed that the TITTLE DEEDS for the afore-mentioned structure are with his wife.

We therefore kindly request your good office to contact Comrade Maharaj with an aim of securing the tittle deeds.

Unip Women's League has recently approached us and we will appreciate it the matter is given all the urgency that it deserves since they (Unip) are under pressure. (See attached copy of letter).

We hope that this request will receive your favourable consideration and response.

Thanking you in advance for your continued support and co-operation.

Yours in the Struggle!
