Mr M.M. Musa 1st February, 1990

UNESCO

Representative to Southern Africa

LUSAKA.

Dear Mr Musa,

Greetings of the New Year, I write to raise two points only:

1. The ANC has not been refunded for the return airticket to London when Mr Hintsa Tshume was going for study at the University of London for a thirteen week course on Planning of Technical Education and Vocational Training in April 1989.

He informs me that you did apply to UNDP for the reimbursement.

He has been going there but has been told that Mr SALLAH has' not yet instructed UNDP (Lusaka) Finance Section to issue a cheque for the reimbursement. Mr Sallah claims that he has no evidence from UNESCO Paris to effect the disbursement despite the fact that he has copy of the telex to you from Paris.

We are in that quandary.

2. Could you please reactivate Mr Hintsa Tshume's authorisation for a return airticket and D.S.A. He is to travel to Dar es Salaam and back. For purposes of efficacious participation, at the Mid Term Evaluation of our Projects (20 to 23 February, 1990), Mr Hintsa Tshume must travel on February 17.

I trust that you will assist us in your usual swift manner.

Yours Sincerely,

Chris landubu 31 (
