 TYPE APPROVAL : FACSIMILE MACHINE :
 I acknowledge receipt of your letter dated' ...3ff?..:fif?;....
 and the accompanving technical specifications and have pleasure in advising
 that app roval has been granted for the above machine to be connected to
 the PTC network. Please note that the approval grant'ed is specifically for
 your own use of the facsimile machine. .Other parties mav use the machine
 only after written approval of the PTC. '
 ?TC does not guarantee smooth operation of the automatic dialling facilities,
 operation at speeds above 1 200 bps On the Public Switched Telephone Network
 and will not be responsible for anv damage to the machine caused by lightning
 strikes, high voltage surres etcetera which might occur on the lines. The
 subscriber must ensure that his machine is full! protected apainst these
 'electrical disturbances. The -transmit level on the Public Switched Telephone
 Network must be -6dbm not to be altered above Odbm. '
 hx
 Termination must be on a ?TC supplied rossete block wherever hossible with
 the Public Switched Telephone Network line on pins 1 and 2, telehhone line
 on pins 3 and A. 'The teleohnhe set shall not be connected in parallel with
 the'machine. '
 You must-program your terminal number to the Pnllnwihz format : 263 TT
 NNNNNN where 263 is the country code for Zimbabwe, TT is the town code where
 the machine is situated and HNNNNN is the actual telephone number of the
 line to which the machine is connected. '
 A direct exchange line must be made available for the exclusive use of the
 facsimile machine; Please advise this office of the telenhone number selected
 and unless otherwise specified this number will appear in a list of facsimile
 subscribers to be included in the telephone directory. 1
