Dear Sir/Madam:

The National Model United Nations is planning a program for the faculty advisors on Wednesday, April 15, 1992 at 2 P.M. at the Grand Hyatt in New York City on "The Future of South Africa." I am inviting you to send a speaker for this program. There will be several speakers who will deliver brief introductory remarks with an opportunity for rebuttals followed by an open forum with the faculty.

The speaker from the ANC would reflect the organization's perspective on issues affecting South Africa's future. Other speakers will be invited from the U.S. Mission, the South African UN Mission, and perhaps an American academic will be asked to participate as well.

The NMUN appreciates any assistance you can provide us for these very important parts of the Model UN program.

Sincerely,

Richard Reitano
