Dear Joe,

Thanks for returning my call. It was very good to talk to you.

What I diid not tellyou, but meant to, is that I have registered at UFH to do a biography of Lionel (as a Masters leading to a Ph.D). In a way this follows Lionel's venture into accademia when he registered to do his 'Growth and Development of African Political Organisations' in order that it should have research credibility.

So I have to embark on some auathentic information gathering. Do you think I could meet you at some time before the end of November to interview you? Some ofo the things I need to know are:

- 1) Can you remember how you met Lionel?
- 2) How did you both get involved in discussinsg the 'national question' ?
- 3) How did Lionel and you and Jacky Arenstein approach George Champion?
- 4) What was it like the day you went to fetch the papers (when the snake slid out of the trunk!)? Did you see Champion that day? Who threw them into the shed? Why?
- 5) What can you remember about Lionel - your opinion of him and any stories or incidents?
- 6) Can you remember any discussions you had with him about the CP, ANC, persons - nothing libellous of course.
- 7) What is Jacky's address and phone number?
- 8) Were you good friends with Rowley, were you in political agreement with him ?

I will be in Cape Town around the 20th November for about 5 or 6 days. Please let me know as soon as you can. My no. at work is 040-602-2042 and cell no. 082-200-9278.

Looking forward to hearing from you and hoping we can meet for interview.

Yours sincerely

Sadie Lorman
