Dear comrade

Airport Tax

The office of the undersigned has been instructed by the office of the Secretary-General of the ANC(SA) to approach the Government of the Republic of Zambia, through your good offices, on the above matter.

As you know, our organization pays airport tax for members leaving the country by air in forex, i.e. us dollars. As a result, our limited resources of forex are being drained. This has affected our work in many important areas, e.g. certain trips have had to be cancelled with serious consequences for the success of our struggle and etc.

We, therefore, kindly request you to approach the Government on our behalf so that we may be granted permission to pay the above in local currency, i.e. kwacha and not in forex.

Your assistance is highly appreciated.

Yours comradely

J. Ndlovu
