Dear Thandi,

Thank you for your letter of 4th december, 1992.

We are keenly paying attention to the long and hard struggle fought by the people of South Africa towards freedom and democracy.

Norwegian Church Aid will continue to support the ANC, both with monetary means and morally untill the achievement of liberation in South Africa - a liberation that we hope will occur early in 1993.

With the best wishes for a joyous Christmas holiday, and a liberated new year, we remain,

Sincerely,

Hans Petter Hergum
Head of Southern Africa Desk
