Dear Mrs. de Andrade,

Subject: Local Consultants for a Workshop on Preparation of Teaching Schemes of Work for SOMAFCD Teachers.

As you are aware, provision was made under ANC/84/003 budget line 11.01 for consultants to run Seminars/Workshops at Dakawa ANC In-Service Education Centre. The first of these seminars was to have been held during the December/January Vacation 1984/85. Due to inadequate advance planning, ANC authorities failed to hold the seminar as they had intended to do on their own initiative.

We have now agreed to hold a workshop on "Preparation of Teaching Schemes of Work" for SOMAFCD staff during the forthcoming April vacation. However, both the ANC Education Officer and the Principal of SOMAFCD have expressed strong preference to use, as local consultants, the same specialists who inspected the school in 1982. On that occasion, we agreed to pay the locally appointed consultants at half the rate of internationally appointed consultants, that is US \$ 50 per working day.

This arrangement seems to work well and protects the school from exposure to outsiders who may not be acceptable to ANC or the Government of Tanzania for visiting Mazimbu.

For your records, I enclose the CVs of the four local consultants who have responded to our letter ANC/84/003 dated 13 Feb. 1985, and copied to you.

The following are the local consultants being considered.
