Mr. Adesola,
African Liberation Committee,
DAR ES SALAAM.

Dear Brother,

You must have arrived in Lagos shortly after I had been there. I suffered two mishaps while in Lagos and decided, rather fatalistically, that perhaps the moment of triumph had not come. I shall report to you more fully when, as I hope, I see you on Friday or Thursday this week.

I hope this letter finds you fit-as-a-fiddle and ready to shoulder a problem or two, for which, I know, you have the solution well within your reach.

Best regards,

Yours fraternally,

Oliver.
