Dear Chief

Re: Application for I.D.Cards for Henry Ndyebo Mali and Solly Nkadameng

As you will consider, Chief, I.D.Cards are a Fundamental necessity for field workers as Cultural Organisers. Our work sometimes comes to a standstill and progress is handicapped as we cannot prove our identity to the people with whom we have to work in the region.

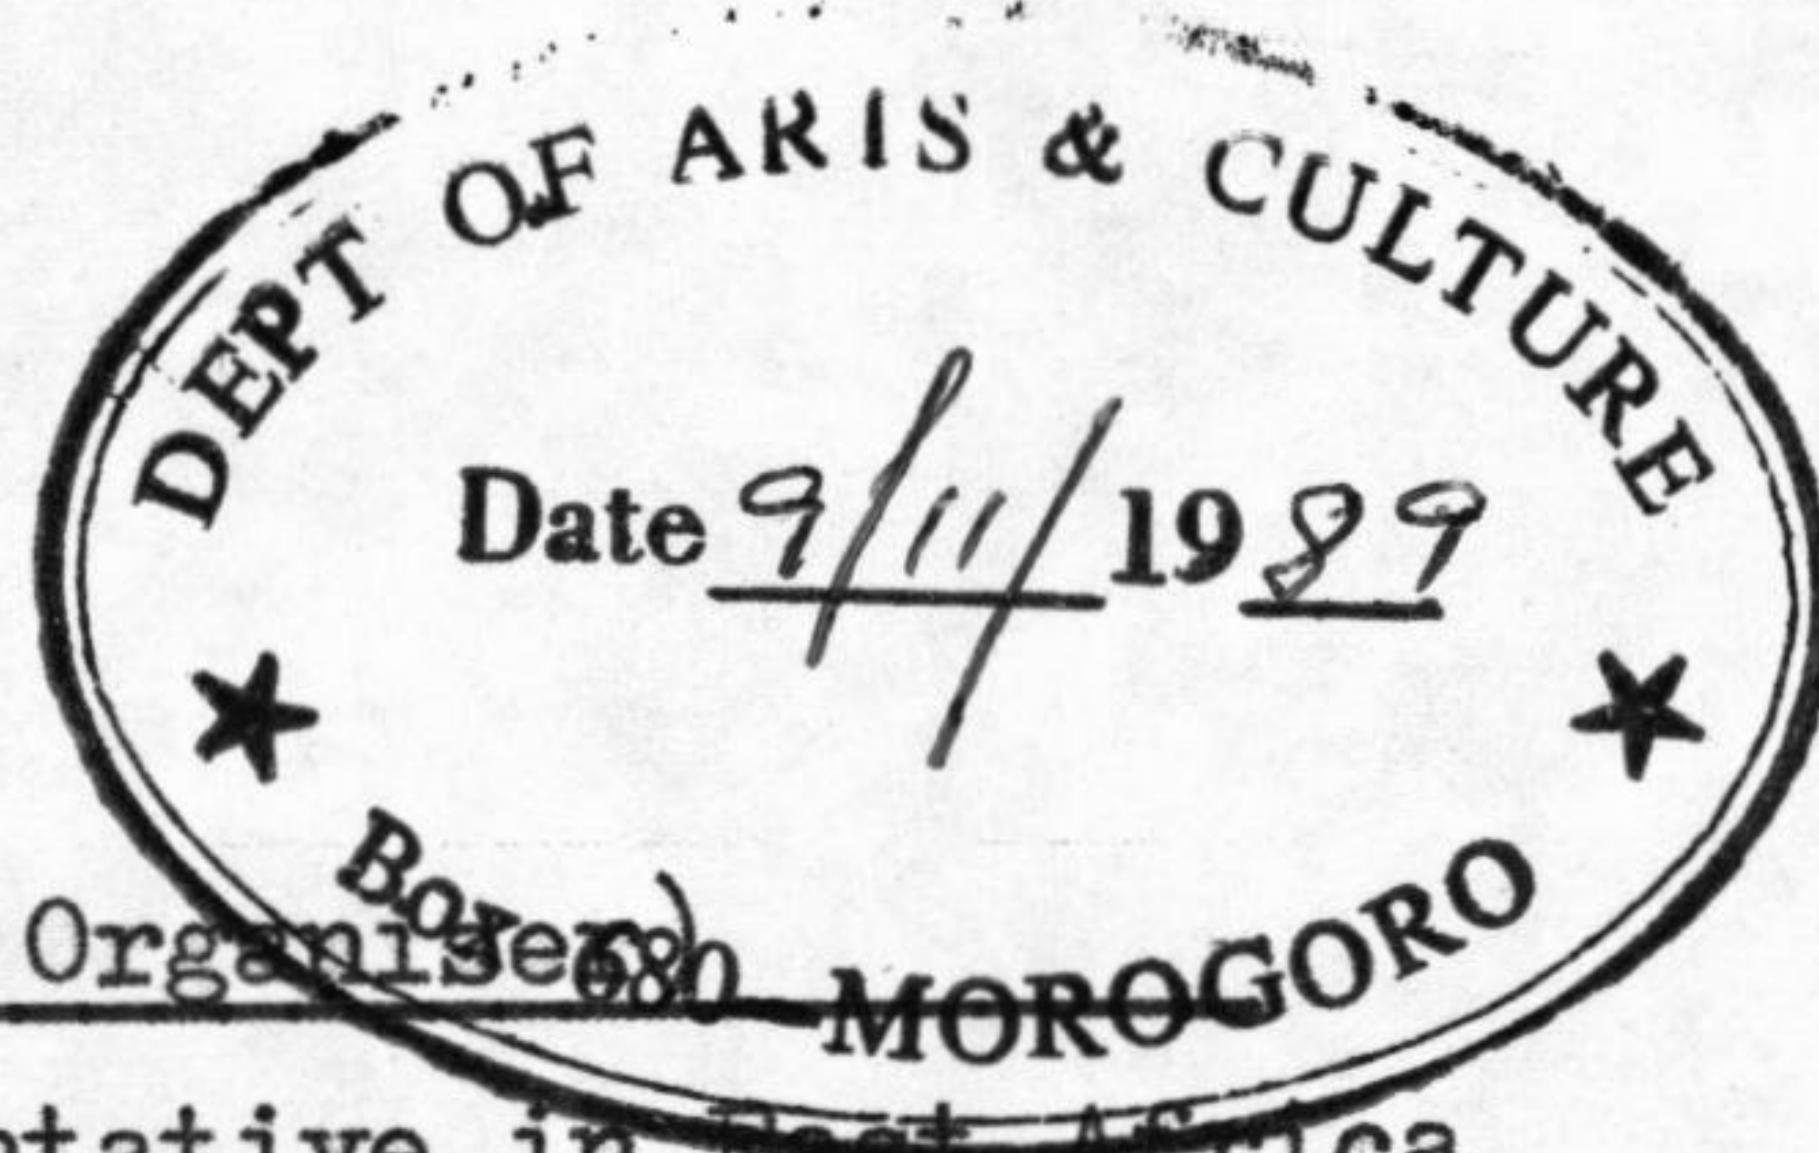

Find herein enclosed a copy of our credentials from the DAC Representative in East Africa whose whole work now lies on our shoulders as he is out of the country on scholarship.

Hoping for a considerate response and thanking you in anticipation for your understanding, I remain ,

Yours respectfully

Henry Ndyebo Mali

Henry Ndyebo Mali Cultural Organiser
Office of the DAC Representative in East Africa
