Dear Sir,/Madam,

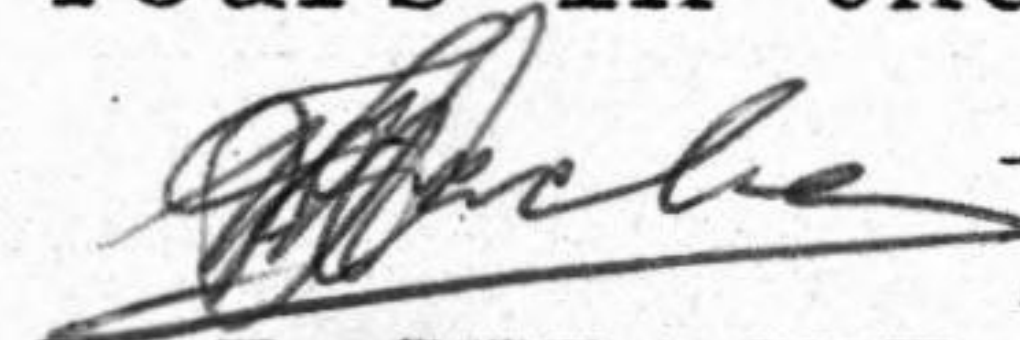

Kindly find herewith enclosed, a copy of our project proposal for a series of workshops we plan to hold in Lusaka next month, (May 1991) in preparations for the forthcoming ANC National Conference in Johannesburg.

If all goes according to plan, we hope to hold the first workshop on May 2, followed at seven day intervals, by two others, where our region's resolutions to the Conference will be formulated.

The National Conference Preparatory Committee has set May 31 as the deadline for the submission of the resolutions.

We hope our proposal will receive your favourable consideration.

Yours in the Struggle,
