IRENE DUBEL, PROJECTS OFFICE AFRICA DESK, HIVOS
RAAMWEG 16
2596 HL DEN HAAG

Dear Ms Dubel,

Thankyou for making time available for our Consultation on 3/1/91,
your last day in Dar es Salaam, in spite of your tight programme.

According to your estimation, there is a balance of US \$ 30,000 in
the 1991 HIVOS Allocation to the farm at Dakawa, after the deduction
of \$ 4,620 for airtickets requested by Ernest Khaile without reference
to the relevant ANC structures.

As agreed, we will request TCRS to provide you with
(a) an invoice for the airtickets and
(b) a prefunding budget for the remaining \$ 25,380;
this will be worked on by Finn Flensted Nilsen, our Dakawa Farm Manager.

We sincerely appreciate the allocation of \$ 110,000 by HIVOS to the
Dakawa Farm for 1991. Mr. Nielsen will prepare a budget proposal for
submission to you.

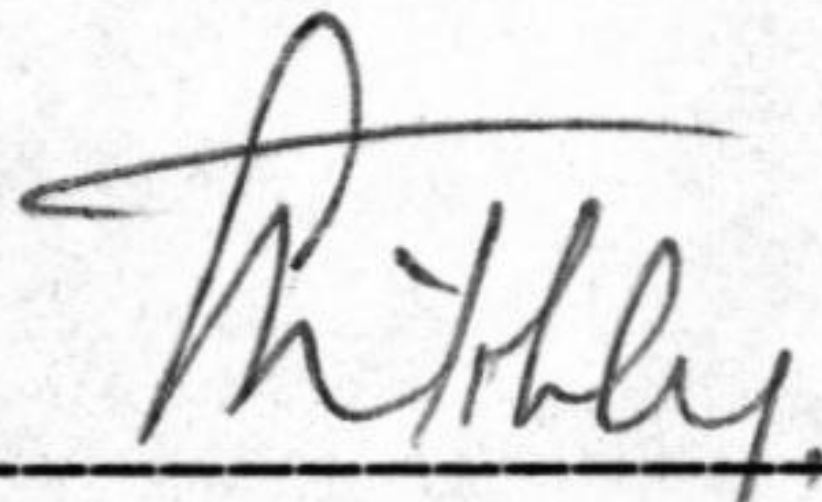

I appreciate the briefing you gave me about HIVOS's development
assistance in South Africa. The types of issues and programmes HIVOS
is concerned with are along the lines of the development debate
which is taking place in South Africa within the Mass Democratic
Movement.

The People Shall Govern!

We sincerely hope you or a representative of HIVOS will attend the ANC Donors Conference from 6-8 February 1991.

With regards

Yours sincerely

Mohammed Tikly
Projects Coordinator
