CIRCULAR

TO: ALL RPCs, CHIEF REPRESENTATIVES, DEPARTMENTS,
SECTIONS OF THE MOVEMENT AND SACTU

Dear Comrades,

RE: CANDIDATES FOR STUDY AT POLITICAL INSTITUTIONS.

Further to our circular of March 18th, which deals with the above question, we have subsequently had enquiries which show the need for us to give further information about the courses.

The following should be of some assistance:

- * The courses are being offered in Bulgaria (8), GDR (unknown as yet), Cuba (5 - but more possible if requested) and the USSR (10).
- * The course begins in September and lasts for ten (10) months.
- * In the case of very good candidates, a four (4) year course can be arranged.
- * Subjects offered are: political economy, dialectical & historical materialism, scientific communism, history of the international working class movement, national liberation movements, history of the Party of the respective country, social psychology, pedagogics. Courses are conducted through the medium of English.

We are anxious that we should only receive the names of RECOMMENDED comrades. We have no desire to send a full complement of students only for the sake of filling places. We should make certain that we only send comrades who will do credit to the name of the ANC.

Our final selection, which will be made on the basis of careful consultation. The return date for names of candidates has now been extended to April 30, 1988.

Amandla!
