Dear Tuula Haarvisto

Re: M.S.F.E.P. Luthali

Thank you for your letter of 27 May concerning Mr Luthali's application to come on the Postgraduate course here at PNL. We have not yet received the letter dated 10 April that you mentioned.

We have changed the PG course since 1987 and now offer a PG Diploma linked to a MA. As the course has changed radically, having different entry requirements and a different syllabus we think that Mr Luthali should reapply, once he has examined the course brochure included in this letter. We will then make a new assessment as to his suitability for the course. I should be grateful if you will pass the enclosed application form and course brochure to him at your earliest convenience. We will try to act on his application as quickly as we can, but it may not be possible to accept him for the course that will begin in September 1990. However, if we do accept him, the place will be kept open for him for at least one year after the date of offer. If you have any further queries please do not hesitate to contact me again.

Yours sincerely

A J Beard
