Dear Ms Rutter

The Johannesburg Art Gallery is holding a retrospective exhibition of works by Gladys Mgudlandlu in September 1998 and is trying to locate works by the artist. Can your readers assist us?

Moreover, Alan Forrest apparently published letters by Gladys on the letter page of the Weekend Magazine during the 1960s/70s. If anyone can still remember these and direct us in locating them, please contact Dr Elza Miles (Curator: Gladys Mgudlandlu Retrospective Exhibition) or Leanne Engelberg (Curator: Contemporary Collections) on (011) 725-3130/3180/3181.

Yours sincerely

Elza Miles (Dr)
