Dear Kier,

Regarding your stay in Johannesburg on October 5/6 you are most welcome to stay at my place. I shall arrange a meeting with the South African History Archive people for you on the morning of u. Ginwala, Research Department and John Samuel, Department of Education. Is there anybody else you'd like to meet? For example, the Elections Commission? You should also meet other comrades, such as Angela Brown. We could have supper with a few friends on the evening of the 5th. Please let me know if there are people you'd really wish to see.

For the visit to the University of Fort Hare, You should contact Professor Themba Sirayi, Director of the Centre for Cultural Studies, under whom the SOMAFCO archives are administered. His communication details are:-
