Pastor Jens J. Thomsen

A delegation of Danish parliamentarians and DCA is planning a visit to Namibia at the end of August and beginning of September. The visit is a follow-up on a visit, which should have taken place last year.

The delegation will go to Lusaka on its way home from Namibia for meetings with the leadership of ANC.

The visit was discussed with Mr. Thabo Mbeki during a visit in Copenhagen end of last month, and it was agreed with Mr. Mbeki that the meetings with the delegation should be planned in details during Mr. Aron Mnizi's stay in Lusaka end of July.

\* For the delegation it is important to meet with the leadership of the ANC and the people working in programmes and projects, which are receiving funds from Denmark. For a long time the Danish Government and DCA have been involved in funding ANC programmes.
