INTERCULTURAL VISUAL KALEIDOSCOPE: INTRODUCTION AND INVITATION

In 1986 the Rand Afrikaans University celebrates its twentieth year of existence. On this occasion the INTERCULTURAL VISUAL KALEIDOSCOPE will be presented at the university from 30 July to 13 September for all in Southern Africa and for visitors from elsewhere.

The aim of the INTERCULTURAL VISUAL KALEIDOSCOPE is to enhance mutual understanding and reciprocal respect between the cultural groups of Southern Africa. To further this aim the Rand Afrikaans University, with the support of Sasol Limited and in co-operation with co-ordinators from the cultural groups, creates the opportunity for an intercultural encounter.

The KALEIDOSCOPE consists of an exhibition of examples of the varied visual expressions of about forty Southern African cultural groups as represented in the Witwatersrand and Pretoria areas. In the exhibition the interfaces and interactions between the cultural groups will be suggested visually.

On the other hand the KALEIDOSCOPE also comprises a programme of cultural, academic and educational events. The aims of this programme are to introduce the cultural groups in further details and to reflect their contact in a dynamic extension of the extant exhibition.

The success of the whole presentation will eventually depend on your participation. In the spirit of contact and interaction we cordially invite you to visit the exhibition and to attend the events on the programme. In this way you would contribute towards realising the aim of the KALEIDOSCOPE.

AFRO-HELLEENSE KONGRES

Hierdie kongres word georganiseer deur die Instituut vir Afro-Helleense Studies (IAHS) onder die beskerming van die Griekse Patriargaat van Alexandrië in Egipte. Die doel van die IAHS is om navorsing met betrekking tot die Griekse Beskawing in Afrika te onderneem, te stimuleer en te koördineer. In samehang hiermee is die IAHS daarop gerig om Helleense invloed op die lewenswyses en tradisies van Afrika —soos gemanifesteer in Afro-Helleense en Helleens-Afrikabeskawings, bv in Ortodokse Etiopië — te ondersoek.

Die eerste dag van die kongres (by die RAU) sal gewy word aan algemene temas in samewerking met die Griekse Gemeenskappe en veral die Griekse Kerk in Suid-Afrika. Die tweede dag van die kongres (in die Missakhuis) sal bestaan uit meer gespesialiseerde referate deur akademiese navorsers.

Die kongres in sy geheel sal temas insluit soos “Antieke Hellenisme in Egipte”, “Afro-Helleense Beskawings in die Sudan en Etiopië”, “Griekse Gemeenskappe in Afrika”, “Ortodoksie in Afrika”, “Griekse Studies in Suider-Afrika” ensovoorts. In Suider-Afrikaanse konteks sal daar ook spesiale aandag gefokus word op die Lembavolk.

Gedurende die twee dae van die kongres is akademiese kongresgangers welkom, terwyl lede van die publiek hartlik uitgenooi word om die verrigtinge tydens die betrokke twee aande by te woon. Alle navrae kan gerig word aan prof. Ben Hendrickx, IAHS, Posbus 91172, Aucklandpark 2006, tel. (011) 726-6858 (h) en (011) 726-5000 x 742 (w).

INTERKULTURELE VISUELE KALEIDOSKOOP: INLEIDING EN UITNODIGING

Die Randse Afrikaanse Universiteit vier in 1986 sy twintigste bestaansjaar. By hierdie geleentheid word die INTERKULTURELE VISUELE KALEIDOSKOOP vanaf 30 Julie tot 13 September by die universiteit aangebied vir almal in Suider-Afrika en vir besoekers uit die buiteland.

Die doel van die INTERKULTURELE VISUELE KALEIDOSKOOP is om by te dra tot onderlinge begrip en wedersydse respek tussen die kultuurgroepe van Suider-Afrika. In hierdie verband skep die Randse Afrikaanse Universiteit in samewerking met koördineerders uit die kultuurgroepe en met die ondersteuning van Sasol Beperk 'n geleentheid vir interkulturele kontak.

Die KALEIDOSKOOP bestaan enersyds uit 'n tentoonstelling van voorbeelde van die gevarieerde visuele uitdrukkings van ongeveer veertig Suider-Afrikaanse kultuurgroepe wat in die Witwatersrand en Pretoriagebied verteenwoordig is. In die tentoonstelling word raakpunte en wisselwerkings tussen die kultuurgroepe visueel gesuggereer.

Die KALEIDOSKOOP bestaan andersyds uit 'n program van kulturele, akademiese en opvoedkundige gebeure. Hierdie program is daarop gemik om die kultuurgroepe verder bekend te stel, terwyl dit ook die kontak van die verskillende kultuurgroepe met mekaar weerspieël. Die inhoud van die program kan beskou word as 'n dinamiese uitbouing van die tentoonstelling.

Die uiteindelijke sukses van die hele aanbieding sal op u deelname berus. In die gees van kontak en wisselwerking nooi ons u vriendelik uit om die tentoonstelling te besoek, om teenwoordig te wees tydens die gebeure op die program en om só die doel van die KALEIDOSKOOP te help verwesenlik.
