Dear Mr. Nkuna Sr,

Thank you for your contribution to West Coast Line. Your contributorâ\200\231s copies were mailed 12 November by surface mail so you'll see them soon. We're very pleased with this special issue of South African writing and hope you enjoy it too.

Within the next few weeks you will also receive a cheque for \$50.00 Canadian, issued by Simon Fraser University.

Should you wish to purchase additional copies of the magazine, contributors receive a 40% discount. Thus a single copy costs \$6.00 (US). A yearâ\200\231s subscription to West Coast Line costs \$30.00 (US) for individual overseas subscribers. (Our next issue focuses on Hong Kong in â\200\23097; the spring issue features African Canadian/diasporic writing).

Thanks again for your interest.

Yours sincerely,
