Dear Sir

COMMISSION ON REGIONAL BOUNDARIES

The wording of the Negotiating Council's Resolution dated 18 May calls for nominations from the Participants for appointment to the 10-member Commission to report and recommend on future regional boundaries.

I am respectfully writing to ask whether the Planning Committee would be willing to recommend to the Negotiating Council that it should consider a nomination proposed by the South African Chamber of Business (SACOB).

SACOB is, by virtue of its membership, by far the largest organisation representative of the South Africa's business sector. As such, we would not only wish to give evidence, but also to participate actively in the work which the Commission will be undertaking.

2/....

The Voice of Business/Die Sakestem

SOUTH AFRICAN CHAMBER OF BUSINESS/SUID-AFRIKAANSE BESIGHEIDSKAMER Reg. No./Nr. 05/20230/08

Directors/Direkteure: J.H. Viljoen, G.J. Trollope, S.L. Sterling

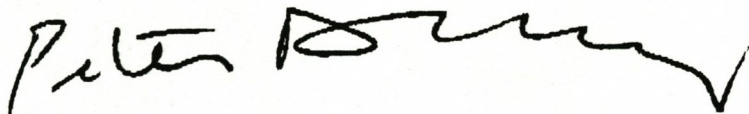

SACOB has been actively involved in the work of the National Regional Development Advisory Council and of the Regional Development Advisory Committees (RDACs) and has consequently accumulated a wealth of useful information on mainly economic but also other aspects of regional development. This includes intimate knowledge of the considerations which influenced the boundaries that have drawn for the nine economic development regions brought into being in the past few years.

SACOB has furthermore taken a keen interest in questions of financial responsibility and other matters of important public policy which would inevitably be raised by devolution of government functions and accountability.

SACOB would be well-placed to offer for nomination somebody with the necessary qualifications, knowledge, experience, and time available for public service, to make a valuable contribution to the work of the Commission.

If the Planning Committee will agree to recommend consideration of this request, I am advised that SACOB would be in a position to offer a nomination at short notice - today if that would be helpful.

Yours faithfully

presently a General manager of the Gazankulu Development Corporation
and has professional background in economics with a developmental bias
and extensive experience in regional development, particularly in
regard to essentially rural regions such as the Northern Transvaal.

3. Dr Bertus De VILLIERS

the Commission

Dear Dr. Eloff

Commission on Regionalism

Kindly be advised that the N.P.P. proposes the name of
MR.R.I. ARENSTEIN to serve on the above Commission.

Mr.Arenstein is an attorney by profession.

He joined the political movement in South Africa in 1938. In 1942 he was seconded to the Johannesburg District of the S.A. Communist Party. In 1942 he was sent to Durban to organise the activities of the S.A.C.P.

He was very busy organising the S.A.C.P. in Durban from 1942 to 1944 when he joined the army and served in the 2nd World War until 1947.

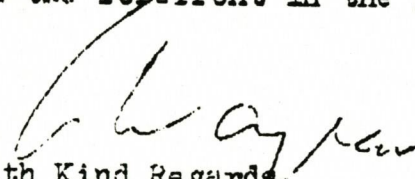

He has devoted his entire life in his fight for Human Rights and also against apartheid in all parts of the country.

During the 1950s he was a very close adviser to the Late Mr.A.J. Luthuli who was the President of the A.N.C.

He was imprisoned, banned twice (during 1953 to 1955 and 1960 to 1986) and placed under house arrest from 1962 to 1980.

In 1967 he was struck off the roll.

There was a period before the banning of the A.N.C. he was in the forefront in the legal team for the A.N.C. in Durban.

With Kind Regards

CURRICULUM VITAE: MEV J GOUWS

Kobie Gouws matriculeer einde 1952 aan die Hoërskool Diamantveld te Kimberley waar sy ook hoofmeisie was.

Sy bekwaam haar as onderwyseres aan die Onderwyskollege Pretoria waarna sy nege jaar lank onderwys gee in haar hoofvakke, Geskiedenis en Liggaamlike Opvoeding.

Daarna sluit sy aan by die Uitgewery van die destydse Voortrekkerpers as uitgewer van skoolhandboeke, kinderboeke, boeke vir die vrou en huishoudkundeboeke.

Na amalgamasie met die ou Afrikaanse Pers word die nuwe maatskappy, Perskor, in die lewe geroep.

Hier word mev Gouws senior-uitgewer, belas met kinder- en vrouepublikasies, asook handboeke vir laer- en hoërskole. Hierdie pos beklee sy sestien jaar totdat sy hoofuitgewer word by Femina en Juventus, 'n filiaal van die HAUMgroep.

Sy is self 'n skrywer, en die volgende werke het al uit haar pen verskyn: **Bome praat met ons; Neem jou bed op; En sy lag oor die dag wat kom; Niks verniet nie; Vir vandag en môre.** Sy het ook die volgende vertalings uit Engels gedoen: **Volkome vrou; Volkome vreugde; Ian Smith, 'n biografie; Nog voor jy mens was; Anneem is vir altyd,** en was medewerker aan verskeie publikasies van SABRA en die Afrikaner Vryheidstigting (AVstig). Sy het ook in **Lantern** en verskeie landbou tydskrifte artikels gepubliseer.

Mev Gouws tree gereeld landwyd op as spreker. Sy is ook bekend as rubriekskrywer in verskeie koerante en is gereeld oor die radio gehoor en vroeër ook op TV.

Kobie Gouws was stigterslid en voorsitter van Afrikanervroue Kenkrag (AVK), 'n vrouebeweging wat hom vir tien jaar lank besig gehou het met navorsing oor Afrikanervryheid; selfbeskikking en etnisiteit wêreldwyd; asook die ontstaan van die huidige grense van die Europese volke.

As lid van SABRA was sy steeds besig met grense en die tradisionele besetting van die RSA met sy verskeidenheid volke. Later, as lid van AVstig, bepaal sy haar veral by die lewensvatbaarheid, die ekonomie en die demografie van die Noordwes-Kaap en die Transgariep.

Mev Gouws is getroud en het een ongetroude seun.

NAME OF PERSON TO SERVE ON COMMISSION ON BORDERS OF REGIONS

We forward herewith the name of the person we nominate to serve on the proposed Commission on regions. She is MISS S.N. SIGCAU, a former Minister of State in Transkei.

Miss Sigcau is a seasoned former politician. She has an in-depth knowledge on the history of Transkei and of its geographic situation. She has an interest in investigative work and has the interest of the people of the Transkei region at heart. She is very active and has an interest on matters pertaining to development generally. As a Minister of Interior, at one stage, she had to supervise elections. She is widely read and has served on Codesa's Working Group 4. It is our view that she possesses all the expertise required of a person who is to serve on the Commission.

We tender our apologies for the late submission of this name. We had to consult a number of persons before we could finalise our nomination.

Dear Sir

COMMISSION ON REGIONAL BOUNDARIES

The wording of the Negotiating Council's Resolution dated 18 May calls for nominations from the Participants for appointment to the 10-member Commission to report and recommend on future regional boundaries.

I am respectfully writing to ask whether the Planning Committee would be willing to recommend to the Negotiating Council that it should consider a nomination proposed by the South African Chamber of Business (SACOB).

SACOB is, by virtue of its membership, by far the largest organisation representative of the South Africa's business sector. As such, we would not only wish to give evidence, but also to participate actively in the work which the Commission will be undertaking.

2/....

The Voice of Business/Die Sakestem

Directors/Direkteure: J.H. Viljoen, G.J. Trollope, S.L. Sterling

- 2 -

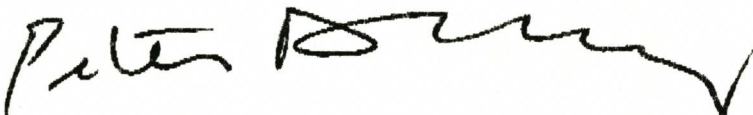

SACOB has been actively involved in the work of the National Regional Development Advisory Council and of the Regional Development Advisory Committees (RDACs) and has consequently accumulated a wealth of useful information on mainly economic but also other aspects of regional development. This includes intimate knowledge of the considerations which influenced the boundaries that have drawn for the nine economic development regions brought into being in the past few years.

SACOB has furthermore taken a keen interest in questions of financial responsibility and other matters of important public policy which would inevitably be raised by devolution of government functions and accountability.

SACOB would be well-placed to offer for nomination somebody with the necessary qualifications, knowledge, experience, and time available for public service, to make a valuable contribution to the work of the Commission.

If the Planning Committee will agree to recommend consideration of this request, I am advised that SACOB would be in a position to offer a nomination at short notice - today if that would be helpful.

Yours faithfully

Team for Region g, of the Manpower Committee for Region G and convenor of the Greater Phalaborwa and Greater Letaba Development forums. Mr Ackron is presently a General manager of the Gazankulu Development Corporation and has professional background in economics with a developmental bias and extensive experience in regional development, particularly in regard to essentially rural regions such as the Northern Transvaal.

3. Dr Bertus De VILLIERS

Dr. De Villiers has already been nominated for a technical committee and therefore would presumably not be available. However, he has experience in regional delimitation and it is felt that his name should be recorded as a specialist to be consulted on technical matters by the Commission

NAME OF PERSON TO SERVE ON COMMISSION ON BORDERS OF REGIONS

We forward herewith the name of the person we nominate to serve on the proposed Commission on regions. She is MISS S.N. SIGCAU, a former Minister of State in Transkei.

Miss Sigcau is a seasoned former politician. She has an in-depth knowledge on the history of Transkei and of its geographic situation. She has an interest in investigative work and has the interest of the people of the Transkei region at heart. She is very active and has an interest on matters pertaining to development generally. As a Minister of Interior, at one stage, she had to supervise elections. She is widely read and has served on Codesa's Working Group 4. It is our view that she possesses all the expertise required of a person who is to serve on the Commission.

We tender our apologies for the late submission of this name. We had to consult a number of persons before we could finalise our nomination.

Dear Dr. Eloff

Commission on Regionalism

Kindly be advised that the N.P.P. proposes the name of MR.R.I. ARENSTEIN to serve on the above Commission.

Mr.Arenstein is an attorney by profession.

He joined the political movement in South Africa in 1938. In 1942 he was seconded to the Johannesburg District of the S.A. Communist Party. In 1942 he was sent to Durban to organise the activities of the S.A.C.P.

He was very busy organising the S.A.C.P. in Durban from 1942 to 1944 when he joined the army and served in the 2nd World War until 1947.

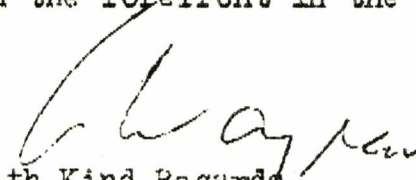

He has devoted his entire life in his fight for Human Rights and also against apartheid in all parts of the country.

During the 1950s he was a very close adviser to the Late Mr.A.J. Luthuli who was the President of the A.N.C.

He was imprisoned, banned twice (during 1953 to 1955 and 1960 to 1986) and placed under house arrest from 1962 to 1980.

In 1967 he was struck off the roll.

There was a period before the banning of the A.N.C. he was in the forefront in the legal team for the A.N.C. in Durban.

With Kind Regards

A.Rajbansi
