Dear Comrade Tambo:

We have read press reports of your illness and wish you a speedy  
and complete recovery.

At this critical juncture in the history of South Africa, the  
people look to the ANC and to you for leadership and direction.  
You have never let us down. We trust that you will soon be where  
you have been most of your life - leading the fight for freedom  
and justice.

Our thoughts and prayers are with you, the family and all the  
comrades of the ANC.
