ATTENTION: CDE MAX MLONYENI

Dear Cde Max

... We attach hereto a copy of a letter which we have received from Social Welfare dated 17 December 1990, the contents of which are self explanatory.

We also discussed this matter with Cde Nathie Marcus when he attended at our offices on 18 December 1990 and we trust that you will now liaise directly with Social Welfare so that the Trust can be registered without any further delay.

If you have any difficulties please do not hesitate to contact the writer.

Yours faithfully
