Dear Wendy

I thank you for your letter of 25 September 1992.

The first issue you raised in the letter is your desire to join the ANC. In my opinion you qualify. However, from practical point of view I suggest that you apply for ANC membership if and when you are in South Africa. As you know, the ANC is now unbanned and our activities are being relocated to South Africa.

You raised also the issue of your grandchildren for whom you request educational assistance. I suggest you contact our Education Officer, PETER KANE, for whom I make copies of this correspondence.

Yours sincerely
