EDITORIAL

Once again the December vacation has arrived with its promise of rest for all. The strenuous examinations which have marked the last ten days have brought forth from more than one sufferer the plaint of the lotus eaters: "Why should life all labour be?" And Tennyson's picture of the restful, languorous lotus-land must have gathered appeal for many wearied brains. To all these sufferers we wish a good holiday and satisfying examination results in the New Year.

For some time it has been felt that the production of three Magazines a year is becoming an increasingly arduous task for the editorial staff. The collection and arrangement of material at the end of each term, the difficulties experienced in printing, and the problem of distribution of over one thousand copies per issue, constitute an onerous undertaking. A recommendation, therefore, has gone forward to the authorities concerned that there be two issues of the Magazine a year: a Summer issue in May, and a Winter issue in October.

Mr. D. H. Purdon, Co-Editor, goes on well deserved long leave in the first term of 1952. We wish him a pleasant respite from blocks, proofs and the etcetera of magazine administration.

SCHOOL HOUSE NOTES

Early in the term we were hit below the belt by a particularly robust 'flu epidemic. Before we had time to regain our senses, the Sanatorium was crowded out, and 18 boys had still to be confined to bed. Fourth dormers had of course to vacate and Staff Nurse Michael John Henrey was installed there with his patients, his thermometers, his gallons of gargle and his other medical impedimenta. Matron Drakes also succumbed, so an all male staff catered for the invalids under the supervision of Dr. Solomon and "Doctor" Stewart Thompson. Two weeks saw the battle won, and we are particularly grateful to Dr. Solomon and Sister Bamwell for their co-operation and help.

Later in the term we suffered another epidemic, this time of broken windows. The wind and ill-directed tennis balls accounted for sufficient panes of glass to restore Crystal Palace. It would be an interesting occupation to discover how many panes of glass are replaced annually in the main building as the result of wind damage: 6A classroom alone would demand a statistician.

We are pleased to report that Mr. Stewart Thompson has now been officially installed as Assistant Housemaster. As Keeper of the Purse his bookkeeping should improve tremendously.

Leaving the House for the moment, we would like to congratulate the Rev. and Mrs. Charles Stephenson on the birth of a son. We hope that in another 14 or 15 years' time another Stephenson will be at home within these walls.

Each term the "backroom boys" give their services voluntarily and we are apt to take them for granted. Now at the end of the year we thank them severally for all that they have done towards the efficient control of the House. In particular, to campanologist Morrison we would like to sound a special note of appreciation. From 6.40 a.m. until 7.15 p.m. he has not failed to be on time for a single ring.

In conclusion, we wish Head Prefect Trevor Whitfield and his fellow officers farewell. It has not been an easy year but they have worked hard and well to maintain discipline and the good spirit of

the House.

JAGGER HOUSE NOTES

We have again had a year with the House filled to capacity and overfull for the comfort of the inhabitants. The Head Prefect, I .Dawe, left at the end of the second term, much to our regret, and his place was taken rather diffidently by I. White whose great personal following carried him through a very difficult term.

There has been a very welcome revival in the use of the hobbies room by our wireless enthusiasts, McPhee and Sergeant being particularly prominent. The room has also become the

centre of a bicycle repair industry.

The music room, under the stairs, is still the venue of the most variegated assortment of instrumentalists it is possible to imagine. Grand and weird impromptu concerts combining piano, piano accordeon, squash-box, trumpet, cymbals, triangles, combs with tissue paper, euphonium and drums testify to the ear-splitting enthusiasm of Jagger's musicians.

Table tennis is again in great favour and the standard appears to be high considering the very dilapidated table on which

it is played. A proper table is an urgent need.

Owing to unequal entries in past years we had only eight senior matrics in the House last year and next year we shall have fewer still, an enormous bunch of very good junior matrics are coming on, however, and we are looking forward to a very good year.

WOOD HOUSE JOTTINGS

The third term commenced with a pungent and unwholesome odour emanating from the locker-room. With the aid of Mr. Kirkby and McKey's sharp nose, the odour was traced to a piece of exceedingly ripe cheese that had been left in a mouse trap. However, we hope that the need for mouse traps will have disappeared by 1952, as the lockers are being mouse-proofed by Mr. Juby.

The swimming bath has been a never failing source of enjoyment. But "midst joy there is sorrow": the 'flu came. At first Wood House withstood the onslaught, but eventually the germs won the day. Although gargling and sniffling became routine, we had

many casualties.

We were glad to see Jim Truscott back after a term's absence.

Michael Meyer spent much of the early part of the term with a foot in plaster. He celebrated the removal of the plaster with a foolish attempt to ride an unwilling and unusually spirited donkey, fortunately with no ill effects to the foot.

Much excitement was aroused by the discovery by David McKey of an old Martini Henry rifle (or is it a gun?) in Dog's Dam near Sugar Loaf. The weapon was handed in to the Charge Office, but not before 57 boys had made 57 conjectures, all different, as to the why and how of its presence there.

Half-term holiday was spent at the Kowie. Most of the members of the House participated in the trip, and in spite of

indifferent weather the outing was voted a success.

Samples and silkworms have been the reigning hobbies this term. It was a common occurrence to find a package of face-powder addressed to Miss Evans or of baby food to Mrs. Grunder. The two-year-old Wood House mulberry tree managed to survive the ravenous demands of scores of silkworms, thanks to a strict rationing of leaves.

Jaundice raised its ugly yellow head at the end of the term. Peter Preston recovered in time to leave on the appointed day, but Jim Truscott missed more than a week of his vacation, and had to

fly home to Salisbury.

It is with regret that we said farewell to our three prefects, Stanley Chilvers, John Frayne and Colin Williams. They have been co-operative and pleasant to work with, and our good wishes for the future go with them.

WOOD HOUSE ANNEXE

The threat of the end of year exams gave rise to a very much more serious, thoughtful attitude in the House this term. The date of the arrival of the 1820 Settlers, the name of the capital of India, the accusative singular of "mensa", suddenly became facts of vital

significance fit to be discussed and even disputed before lights out in the dormitories.

However, there was no danger of Jack becoming a dull boy. Apart from cricket, interest centred round swimming and silkworms. At the Annual Swimming Gala our prefect, Brian Mackenzie, swept the boards in the open events and established several new records. He was largely responsible for the very unpopular victory of the Prefects over the Privates in the Relay Race. Four of the rank and file were finalists in middle school events and promise to be good swimmers next year. The end of the life-cycle of the silkworms coincided with the end of term, a very fortunate circumstance since the cardboard boxes with punctured lids could not be left behind without any heart-burning.

Our congratulations go to Henry Gush who, on the ballot of the House, won the House Prize for Good Fellowship; and our best wishes go to Brian Mackenzie and to Henry Crewe-Brown who are leaving Kingswood this year.

CADET NOTES

The unit has again had a very good year and deservedly earned high praise for its smartness and precision on this year's Remembrance Day Parade.

The annual inspection took place on Saturday 13th October and for the first time for many years we undertook the full ceremonial appropriate to the occasion in addition to our field work.

As soon as the inspection of cadets was over 2-Ltn. R. L. van der Merwe took over the parade and with his clear crisp orders soon had the unit, headed by the band in their scarlet uniforms, marching past the saluting base first in column of route then in column of platoons. He then formed up the troops in line facing the saluting base with the band in the centre and advanced in review order ending with a general salute. 2-Ltn. van der Merwe's masterly handling of this parade thoroughly justified his feeling that there is a future for him in the regular army.

There followed a demonstration of parade ground battle drill, very well done with 2-Ltn. van der Merwe, Sgt. Lowes, Cpl Cadle and L./Cpl. McGrath conspicuous. Whilst this was in progress it began to drizzle and a break was taken for tea.

After tea the signallers, ably trained by Capt. Thomson and Lieut. S. . Thompson, and under the control of 2-Lieut. P. G. Wrighton and abandoned because of the cold and rain.

Major Tarr has now taken over the shooting and managed to put in two very creditable teams for the Empire League Challenge

Shield and Watts Cups respectively. S. G. Chilvers, J. van Rensburg and W. Wilson-Thompson qualified for their Team Blazers for shooting. In a shooting competition held during a break in the J.C. exams, J. B. Ecclestone just beat J. Edworthy and M. Hare with Le R. du Toit also well on their heels. No fewer than 32 of the J.C. forms entered for this competition and it looks as if Kingswood can look forward to a high standard of shooting for the next two years.

HEADMASTER'S REPORT-PRIZE-GIVING, 1951

Mr. Chairman, Professor Dent, Members of the Council, Ladies and Gentlemen,

May I first of all take this opportunity of expressing to the Council my appreciation of the compliment paid to me by their invitation to stay on as Headmaster for a further three years. Next month I shall have completed my first three-year period as Head, not to mention an earlier aggregate of two years as Acting Head. Normally, this December I should have been due to leave.

We have here as guest of honour this evening, Professor C. P. Dent, the Principal of Fort Hare Native College, who has found time in this exceptionally busy month of November to come over from Alice to address this meeting. Many of us remember his two sons, the Dent twins, who played a full part in the academic and sporting life of Kingswood. During the war they both served their country loyally as pilots in the Air Force, and since then one has qualified as a Veterinary Surgeon, and the other as a Schoolmaster. Professor Dent's only daughter is married to an O.K.—Mr. Ronald Knott, a farmer in the Amatolas. All these present ties with this College, and the fact that Professor Dent has been a member of the Council for many years merits a cordial welcome from us all.

This is the last official function that our Vice-Chairman of the Council, the Rev. F. H. Edmonds, will attend as such, for he is leaving for Kimberley next month. Mr. Edmonds, ably assisted by Mrs. Edmonds, has certainly played a most important part in the religious and social life of this district. As far as Kingswood is concerned, during the three years I have been Head, and probably before, Mr. Edmonds has forcibly backed every scheme for improvement brought before the Council—and there have been many. He has served on all Committees, and has attended all our functions. With his broad understanding of our needs, and with his extensive financial experience, he has been of the utmost value. To him and to Mrs. Edmonds we offer our grateful thanks, and our best wishes in their new surroundings.

This year the number and length of speeches and musical items has been reduced, in deference to the wishes expressed by many of our friends. I can assure the audience that we have a choral society, a full brass band, a dramatic society, and even a jazz band, but they will not be on display in force this evening.

STAFF CHANGES

At the beginning of the year we welcomed the Rev. Howard F. Kirkby as our new Chaplain, Mr. J. G. Salvesen and Mr. Brian Rooke as members of our staff; all three are already playing an important part in different spheres of the School's life. Mr. Ronald Graham left us at Easter to take up residence at the Cape, and Mrs. Arthur Mullins (Miss Sheilah Barbour) left in August to join her husband in Rhodesia. Her place this term has been filled by Mrs. G. R. Dowthwaite, whom we take this public opportunity of welcoming here. Mr. C. B. Dacam took his overseas leave in the winter term, when Mr. A. E. Bradley of Kearsney College helped to fill the gap, and Mr. Anton Murray took charge of Jagger House. We have been deeply indebted to several graduates of Rhodes University who have kindly assisted during the temporary absence of our own staff. I would like particularly to mention Mr. Tom Higgs, Mr. J. W. King, Mr. Ray Suttle, Mr. Tom Hartzenberg and Miss B. Gordon, who have all given cheerful and efficient service. Next year we shall have two newcomers on the Teaching Staff, Mr. D. M. Badenhorst of Stellenbosch University and Miss Doreen Warren of the Training College. Mrs. Parker, the Housekeeper for two years at Memorial Hall, resigned in August, and we were fortunate in securing the services of Miss I. L. Anderson, who has a wealth of experience. Mrs. Vance, her assistant, is unfortunately leaving at the end of this month. Mrs. E. Baines, after six years' efficient and devoted service in the Accounts Department, left in October, to be succeeded by Mrs. A. Whitehead. We are pleased to report that Sister Perriot of the Sanatorium, who was absent on sick leave during the first half of this term, has now recovered. During her absence, Sister M. Bamwell, a sister of John Ayliff, one-time member of our Council, kindly offered to deputize, and had almost at once to cope with a serious epidemic of virus influenza, which she did very successfully, assisted by Mrs. Phillpotts and Mrs. Cedric Hiscock. We are also indebted to our House-matrons, Mrs. Drakes and Mrs. Meinesz, and were pleased to greet Mrs. Gardner of Wood House, when she was able to resume duties early this year. In Jacques House Mrs. Esterhuizen left at Easter, to be succeeded by Mrs. Horne.

Let us not forget to mention our loyal African servants, whom we are apt to take for granted, and upon whom so much of our comfort and competency depend.

EXAMINATIONS

Last year's Matriculation results were very satisfactory with 38 successes, of whom 15 were in the first class, with eight distinctions. This is actually the highest number of firsts we have ever had, but we are planning to surpass this in a year or two. Douglas H. Gray gained a Major Rhodesian Bursary of £300 a year to St. John's College, Cambridge, and E. W. Dechow gained a similar award to Cape Town University. Our last year's Football Captain, Ted Lombard, did so well at the Training School of the Chamber of Mines, that he has been selected for the Mining Engineer's Course at Witwatersrand University. The Junior Certificate results appear on the Programme and to these might be added a large number of Taalbond successes. Several of the music pupils also gained certificates of the Royal College of Music.

GAMES AND SPORT

This year our representative teams in rugby, cricket and athletics have not been as strong as usual. In First Team rugby matches we won four, including Grey, Port Elizabeth, and Muir; drew two—against Selborne and St. Aidan's, and lost against Bishops (twice), St. Andrew's, Graeme, Dale, Gill and Rondebosch. Most of these defeats were, however, very good games. We had only one really severe beating—the second Bishops game at Rondebosch—when the opposition was in brilliant form.

In the athletic contests we were undoubtedly handicapped by sickness, but even had we been at full strength, I think St. Andrew's would still have won the Triangular Match, and Queen's the Hirsch Shield, both these Colleges being exceptionally strong this year. That we have good athletic material was proved at our own postponed meeting in October, when achievements all round were of high standard, and several records were broken.

At cricket we have had enjoyable games, but to tell the truth we have not won very many; recently we have been beaten in school matches with St. Aidan's and St. Andrew's. We may perhaps glean comfort from the fact that our junior teams in all games show great

promise.

Boxing and swimming have been making much progress this year; we have had splendid boxing contests against St. Aidan's and St. Andrew's, and so many swimming records were broken in our gala, that we appear to be attaining fresh standards. Tennis has also been very active both on the senior and the junior courts.

SPORTS FACILITIES

The Irrigation Plant, presented by the Bathurst East Old Boys, which I mentioned in my last year's Annual Report, has been invaluable this year in improving the senior playing fields. The turf survived the hard wear of the football term, and many of the bare patches on Middle Field have disappeared. Dold Field (Prep.) has come into full use as a playing field. The Filtration Plant has made a wonderful difference to the swimming, and has been maintained by a group of boys. The new tractor and triple-gang mower can cut all our fields in one day, and the borehole can fill the swimming bath in about 40 consecutive hours. A new storage-house has been built to shelter the additional field equipment.

CADET CORPS

The School Corps has appeared on all public and Church parades during the year. A Cadet detachment attended camp at the Depot last December, but unfortunately this year the University Examinations do not fit. R. H. Baines gained first place in the whole camp at the Student Officers course in January, and our Band was selected to appear at the Union Day military parade in Port Elizabeth last May. Mrs. D. Adams again kindly instructed a detachment in First Aid work, and over 30 boys gained their Red Cross Certificates. At the Annual Inspection on October 13th the ceremonial parade and Band display were excellent, but the field manoeuvres were hindered by rain.

ADMINISTRATION

Parents who every month have to balance their family budget will sympathise with our difficulties of supplying all needs to over 300 boarders. The rising costs of every commodity and occasional shortages of supply have created problems in all schools. Next year we are slightly raising the scale of fees for Boarders, but there is unfortunately no guarantee that prices will remain at even the present high levels. I need not labour this point; the Council, the Bursar and the Administrative Staff are facing this emergency with calm efficiency, and no hasty steps will be taken.

OTHER ACTIVITIES

Mention must be made of the successful musical operetta, "Princess Ida", organized and produced jointly by the V.G.H.S. and Kingswood under the leadership of Miss Singleton and Mr. Bennett Brown. This school production was, I believe, the first of its particular kind in Grahamstown, and was staged several times in the City Hall.

Kingswood entered various plays at the Drama Festival, where the competition this year was unusually keen, and the Preparatory secured a first award.

Other School activities include Inter-School Quizzes, Art Classes, Debates in English and Afrikaans, Choral Society and various hobbies. The Prep. boys produced an attractive concert on November 15th, under the direction of Miss Webster and Miss Havenga.

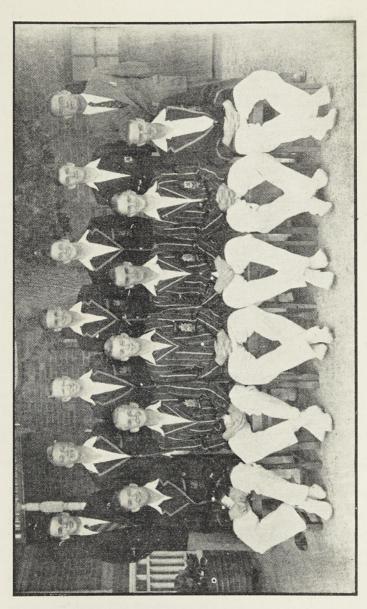

Throughout the year Mr. G. R. Dowthwaite has been regularly presenting Educational and Feature Films, and religious films have now begun to make their appearance. A successful School dance was held in this Hall on November 10th, with the friendly cooperation of the V.G.H.S., D.S.G. and the Training College.

DONATIONS

A large number of donations have been made to various funds, all of which cannot be specified here, but the larger amounts were from Mr. J. G. Sieberhagen of Richmond, Mr. A. W. Judge of East London, Mr. H. R. Hart of Cathcart and Mr. J. L. Morrison of Johannesburg. Mr. H. H. Craig presented a fine silver shield, which is now a trophy for the Triangular Athletic contest, and Mr. W. Cadle presented the handsome cup for the Band. To all of these, as to the numerous contributors to the Sports Fund and to the Prize Fund, our grateful appreciation is due.

GENERAL

All the branches of school life I have mentioned naturally entail a vast amount of work on the part of the staff, both in and out of school. In my summary I have mentioned a few members by name, but all could fairly be included. Mr. Strauss, the Leader of the United Party, emphasized a few weeks ago the necessity for increased salaries for all teachers; next year you will be interested to know that our scale of pay and cost of living allowances are to be raised to the Provincial full amounts. But higher salaries alone will not solve all the problems of the teaching profession. We need to stress the old ideals of service, of devotion to the cause of youth, of a teaching vocation, not merely a teaching profession. We at Kingswood are on the whole fortunate in this respect, for all our staff give freely in voluntary and unpaid services. I must end by thanking all our teaching and administrative staff, all prefects, monitors and boys for their friendly co-operation throughout the year. The brunt of the responsibility has largely rested on the Heads of Houses, and to them in their difficult and sometimes nervy tasks, we ought all to be generous in our praise, and guarded in our criticism.

Standing: D. Lowes, D. I. Wallace, J. Tyson, J. Gush, A. R. Masterson, J. A. Birt, Mr. D. H. Purdon. Sitting: A. Moorcroft, J. Frayne, J. Mills, T. Whitfield (capt.), K. Howard, M. Moss.

THRILLING ATHLETICS ON GANE FIELD

St. Andrew's Win 1951 Triangular Competition from Grey and Kingswood.

On Wednesday 26th September on the Kingswood Gane Field the Annual Triangular Contest between Grey High School, St. Andrew's and Kingswood took place in fine weather. Although in this event one does not seek to applaud the performance of individuals, there were one or two outstanding performances which, in the interest of athletics in general should be mentioned. For instance the performance of Wiley over the first leg of the Mile Medley (a quarter) for which distance his time was 50.5 sec. Again M. Parker, running in the two miles, an event run on the Cross-country system, managed to clip 4.1 sec. off the existing record which till now has been 10 min. 29.5 sec.; an outstanding achievement. J. van der Westhuizen of Kingswood was unfortunate during the Pole Vault, when attempting 10ft. 11in. to have his pole snap under him, fortunately he was not injured. Holland of St. Andrew's also failed at this height.

The outstanding feature of the afternoon was the superiority of the St. Andrew's team in the flat events, for, without exception, they won them all. Grey showed themselves the better team in the field events, winning the long jump, the high jump and the shot put. The contest provided all its usual thrills and was a very enjoyable afternoon. At its close a shield to be known in future as the Craig Shield, was presented by Mr. Craig, an Old Kingswoodian, to Mackay, the St. Andrew's captain.

The detailed results are as follows:-

- Pole Vault: 1, St. Andrew's; 2, Grey; 3, Kingswood. Height: 29ft. 9in.
- 100yd.: v, St. Andrew's; 2, Grey; 3, Kingswood. Time: 42.7 sec.
- Shot Put: 1, Grey; 2, Kingswood; 3, St. Andrew's. Distance: 106ft. $0\frac{3}{5}$ in.
- 440yd.: 1, St. Andrew's; 2, Kingswood; 3, Grey. Time: 3 min. 36.9 sec.
- Long Jump: 1, Grey; 2, St. Andrew's; 3, Kingswood. Distance: 56ft.
 4in.
- Two Miles: 1, St. Andrew's; 2, Kingswood; 3, Grey. Time: 10 min. 25.2 sec. (new record).
- 110yd. Hurdles: 1, St. Andrew's; 2, Grey; 3, Kingswood. Time: 61.5 sec.
- 880yd.: 1, St. Andrew's; 2, Grey; 3, Kingswood. Time: 8 min. 56.8 sec.
- 220yd.: 1, St. Andrew's; 2, Grey; 3, Kingswood. Time: 1 min. 35.3 sec.

FINAL POINTS:

- 1. St. Andrew's College 28 points
- 2. Grey High School 23 points
- 3. Kingswood College 15 points

HIRSCH SHIELD COMPETITION

This Competition was held on the new track, Grey High School, at Port Elizabeth. The Competition was again won by Queens, who fielded an excellent and well balanced team.

Our ranks were decimated by 'flu, neither I. du Preez nor J. Walker were able to travel with the team.

In the field events we figured quite prominently, gaining eight of our nine points in these events. Despite atrocious conditions our chaps did very well. In the Pole Vault Van der Westhuizen was placed third and not second purely through the misfortune of slipping off his pole in one of his earlier jumps. All three vaulters failed at the final height, but Van der Westhuizen had taken one jump more to reach this height than Evans of Grey. On the other hand he may be considered fortunate to have remained in the competition where other jumpers slipped off their poles not once or twice, but three times, which naturally put them right out.

Harty, running very well in the sprints, just failed to qualify in the $100 \ (10.7 \ \text{sec.})$, and finished fourth again in $24 \ \text{sec.}$ in the 220. He was responsible for two of our field event points in the Long Jump finishing third with a very good jump considering the conditions, of $18\text{ft.} \ 6\frac{1}{2}\text{in.}$

Wallace ran very well in his hurdles heat to gain a good third in 16.2 sec. He was somewhat fortunate to collect the two points in the final for third place as he came in fifth in 17 sec., the other two competitors being disqualified for knocking down more than three hurdles.

Cadle jumped exceedingly well under very difficult conditions to gain yet another third. He failed at the height of 5ft. 43in. We expect big things of him next year.

White found himself among a really good field of Shot men, the winner breaking the existing record with a put of 42ft. $5\frac{1}{2}$ in. and gained a lot of useful experience.

Baines collected our only other point for a very fine run in the 880. The conditions under which both he and Derek Meyer ran were unusual, to say the least of it. The course was like a steeple-chase with a water jump. He covered the distance in 2 min. 10.1 sec. Southward ran the plucky race we expect of him in the quarter. He had the misfortune to find himself in what turned out to be the crack heat and so was unplaced. He returned 57 sec. for the distance.

In the buffer events Webber got into the finals in the Under 16 Hundred with a time of 11.2. Considering he is still under 15 this is an outstanding performance and he will reap the reward in later years for some of the disappointments he is having just now, when he is able to measure his skill and experience against boys his own age. Lowes ran a very fine race to win the only Kingswood victory of the day in the Under-16 Mile. Van Wyk and MacDonald although overshadowed by their team mate, put up a very creditable performance and will benefit from the experience next year. A. G. Smith did very well in the Shot, coming second in the morning heats and third in the final in the afternoon. He also ran very well in the hurdles, reaching the final, only to meet the fate of a number of other unfortunate athletes on Saturday, slipping on the slimy surface when well in the lead at the second hurdle. He should do very well in both these events as time goes on.

In conclusion I think it is fair to say that the team have done far better than was expected and so again, in so short a time after the outstanding show at the Triangular, we must congratulate them on a very steady and worthy performance under very trying conditions.

KINGSWOOD ANNUAL SPORTS

After an epidemic of 'flu and then the weather had taken a hand in interfering with the date and causing postponement, the Annual Sports took place on Gane Field on Thursday, November 2nd, in ideal conditions.

Despite the fact that the athletic season officially closed on October 6th (the original date set aside for the Sports), the standard of fitness was high and the subsequent performances the best of the year. The programme included only two groups of field events, the Shot Put and Throwing the Cricket Ball, as all jumps had been previously decided.

The day saw three new records established and one equalled in the junior divisions. In the 100 yards S. Harty was in first in the splendid time of 10.55 sec. to break the existing record which has stood for 10 years, F. Bayly establishing it in 1941. He was closely followed by E. Slabbert and R. Webber. All three did inside the Standard for this event. Another junior record was broken when J. Walker won the 110 Hurdles Under 16 in 14.4 sec. In the Under-14 Division N. van Schalkwyk broke the Shot Put (8lb.) record by a foot with a throw of 42ft. $7\frac{1}{2}$ in. J. Woodward equalled the record for the 100 yards by covering the distance in 11.5 sec.

The outstanding event of the day was the Open Half-mile in which R. Baines ran brilliantly to win the race in the third fastest time on record. He covered the distance in 2 min. 3.5 sec. In all some 15 Standards were achieved by various athletes.

Detailed results are as follows:-

OPEN.

100yd.: 1, D. I. Wallace; 2, D. Melcher; 3, T. Cornforth. Time: 10.7 sec.

220yd: 1, T. Cornforth; 2, J. van der Westhuizen; 3, A. Evans. Time: 23.9 sec.

PHOTOGRAPHIC CLUB

The third term is never a very active one for this Club, owing to the nearness of the examinations, and this term has been no exception. However, there have been a number of applications for membership of the Club for next year, and that is a very healthy sign.

SWIMMING NOTES

Training was held up at the beginning of the third term by bad weather, but in spite of this the keennest were hard at it. The standard of swimming has improved tremendously in the last year due to the improved facilities, and many of the old Standards and records have gone by the board. A new set of Standards in accordance with the Eastern Province Junior times has been drawn up.

The Gala was held on Saturday the 27th of October, which turned out to be a bright sunny day. Much keenness had been shown at the heats and some good times were returned.

The detailed list of events was as follows:-

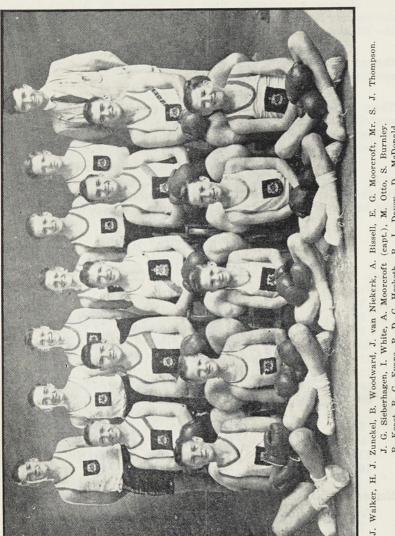

EVENTS BEFORE GALA

BOXING, 1951

Boxing tournaments were held against St. Aidan's College during the Easter term and against St. Andrew's College during the Michaelmas term.

The all-round standard of the Kingswood team was good, the team trained hard and showed a high standard of fitness and sportsmanship on both occasions.

Colours were awarded to Moorcroft, A., Otto and White, I., Team Blazers to Burnley and Sieberhagen. I would like to congratulate Keast and Hesketh on their performances in the lower weight groups and make mention of the pluck shown by Moorcroft, G. and Sieberhagen in their St. Aidan's bouts.

On behalf of the team I would like to thank Father Jackson of St. Aidan's and W. A. Sutherland of St. Andrew's for entertaining the Kingswood team and also Mr. Bob Salvesen for his interest and help as a judge in the tournaments.

S. J. THOMPSON.

TENNIS NOTES

That part of the term not devoted to athletics and cricket was occupied in completing the Championships. Three matches with St. Andrew's were played and two with Training College.

The First Team in its match with St. Andrew's lost by 35 games. The scores were as follows:—

Mills and Frayne beat Farquarson and Mort 8—7; lost to Jennett and Pringle 7—8; beat Hynch and Perrott 8—7. Clayton and Walker beat Farquarson and Mort 8—7; lost to Jennett and Pringle 7—8; lost to Hynch and Perrott 7—8.

Harris and B. Meyers lost 4—11; 5—10; and 1—14.

The Under 15 and the Under 14 teams fared no better and were also soundly beaten. Unfortunately the Under 16 and Under 17 matches had to be cancelled because of rain. For the Under 15s, P. Kingwill and Jones-Phillipson were the only couple to win a set.

Four couples proceeded to Training College on two occasions and played mixed doubles matches. There was some good tennis, especially in the A group, and it is likely that these mixed doubles matches will become a regular fixture.

With some difficulty the Championships were completed. B. Meyers won the Under 16 Singles by beating Rodney Rayner 6—2, 4—6, 6—1, and was presented with the Worthington Cup.

J. Mills and A. Clayton won the Open Doubles Cup from J. Frayne and J. Walker 6—4, 6—4. The Open Singles ended in a long battle between last year's finalists, John Frayne and John Mills. This year the tables were turned and Frayne beat Mills 4—6, 8—6, 6—3, to win the Parker Cup.

John Mills went to Port Elizabeth to play in the Junior Trials for selection for the Eastern Province couple to play in the National Junior Tournament. In the singles Mills lost to Goldberg, the Port Elizabeth champion, but he and his partner won their doubles. Mills will take part in the Eastern Province annual tournament in late December.

Awards this year were Colours to Mills and Frayne (reawards), and a Team Blazer to Alistair Clayton.

CRICKET-THIRD TERM, 1951

The term began with a great deal of rain and the first few matches—preliminary canters—had to be cancelled. It was not until four weeks after the beginning of term that organized cricket really got going.

The most encouraging aspect has been the number of promising juniors in the School. In the senior School, two members of Form IV have already been blooded in the 1st XI, and

they have another three years at Kingswood.

Once again the practices have been so arranged that all players of the Senior and Junior "Cake" teams have had their

three or four afternoons in the nets.

Our thanks are due to the coaches, the kit monitors—Messrs. A. Hill, R. Masterson, and the scorers, D. Lowes, B. Harris, A. Hill, D. de Villiers, and many others—and the umpires who have helped during the term. We must also thank, of course, "Fred", who has made the pitches, mended the nets, and put down the mats.

CRICKET AWARDS, 1952

Colours: T. Whitfield (re-award), J. Mills, J. Frayne, K. Howard. Team Blazers: A. Moorcroft, M. Moss, R. Masterson, J. Tyson, J. Gush, D. T. Wallace.

CRITIQUE 1st XI

WHITFIELD, T. L. M. (CAPT.). Has set a good example in keenness. opening bowler always liable to get a quick wicket and an excellent fielder.

An awkward bat who hits the ball very hard; medium-fast MILLS, J. N. (VICE-CAPT.). An excellent slip-field. A left-hand bat who played a memorable innings against Southwell. Medium-slow bowler who keeps a good length.

FRAYNE, J. F. Opening right hand bat who has played some good innings. Too prone to lose concentration after he has made about 25. A good wicket-keeper a little slow on his feet.

Moorcroft, A. Opening right-hand bat who has developed a good understanding with his partner. Holds his bat too low to make any really forceful shots. Excellent close-in field.

Moss, M. N. Slow right-arm spin bowler who has had more than his share of bad luck, but never gives up trying. A fair bat. A bit slow in the field but has done some good work.

Tyson, J. A promising all-rounder. Has played some good innings especially against Port Alfred. Medium right-arm bowler who varies them well. Good fielder.

MASTERSON, R. A promising left-arm bat with a good off-drive who should make runs next year. A good fielder either in the deep, or close-in.

- Gush, J. A tall left-arm bowler who has shown much improvement. A bit slow in the field, but has brought off two or three spectacular catches.
- Howard, K. A medium-paced right-arm bowler who moves them away and turns them in, and keeps a good length. Very safe in the field. A better than average batsman who thinks that No. 8 suits him—but that is too low.
- Wallace, D. I. A promising bat—but much too nervous. Uses his feet to a slow bowler when he remembers to. Very good in the field.
- BIRT, J. Made the team at the end of the year and played two good innings against St. Andrew's. A promising bowler and a good fielder.

OTHERS WHO PLAYED FOR THE 1ST XI DURING THE THIRD TERM

- Du Preez, I. A medium fast right-arm bowler who kept a good length.
- SMITH, A. G. and Jones-Phillipson, C., who are promising all-rounders.
- CLAYTON, A. A slow left-arm bowler and a batsman who watches the ball.
- AINSLIE, D. A promising bat and a good slip-fielder.

Kingswood, 2nd Innings (fo'low on)
128 for 6 wickets (Birt 37, Frayne 28, Mills 19).
Result: Lost by 123 runs on the first innings.

v. PORT ALFRED, November 17th

Kingswood: 153 (Tyson 50, Frayne 29, Whitfield 25; Forward took 4 for 33, B. Bradfield 3 for 18).

Port Alfred: 163 (S. Dugmore 70; K. Howard took 3 for 37, Moss 3 for 38).

Result: Lost by 10 runs.

v. BATHURST, November 24th

Bathurst: 117 (Howard 4 for 20). Kingswood: 79 (Ainslie 26). Result: Lost by 38 runs.

SECOND DIVISION

The Second Division, captained by A. Wild, had a good season and were lucky that rain washed out a couple of matches.

Several players were tried in the 1st XI, and it is a pity for cricket that most of them are likely to get through matric, otherwise they would most likely have been regular members in 1952.

MATCHES

v. ST. ANDREW'S COLLEGE.

Kingswood 62 (Wild 13, Baines 12).

St. Andrew's 165 for 1 wicket declared (Stafford 120 not out). Kingswood 2nd innings 70 for 6 (C. Purdon 50).

Result: Lost by 103 runs on 1st innings.

v. ST. AIDAN'S COLLEGE.

Kingswood 120 (Ainslie 31, Walker 19, C. Williams 16). St. Aidan's 206 (G. Roebert 5 for 58).

Result: Lost by 86 runs.

v. ST. ANDREW'S COLLEGE.

St. Andrew's 61 (Gush 7 for 32, Du Preez 3 for 18).

Kingswood 2nd innings 76 (Hill 23, Itzekowitz 14).

St. Andrew's 2nd innings 109 for 3 wickets.

Result: Won on 1st innings by 89 runs.

v. CUYLERVILLE II.

Kingswood 258 for 8 declared (Clayton 61, Walker 48, Weir 44, Williams 34, Cornforth 33).

Cuylerville 49 (Williams 7 for 18).

Cuylerville 2nd innings 55 for 6 wickets (Du Preez 3 for 10).

COLTS CRICKET

The Colts have had a most successful season and have shown that there is a great deal of excellent talent amongst the juniors which augurs well for Kingswood cricket of the next three years.

J. Birt made 342 runs during the season at an average of 28.5 and was selected to go to the Nuffield Trials in Port Elizabeth.

Birt, Smith, A. G. and Jones-Phillipson played for the 1st XI and did not disgrace themselves. These three were the mainstay of the Colts side in both batting and bowling but were sometimes ably assisted by Williams, Hunter and Huddy in the batting and by Shingler, Chowles and Hunter in the bowling department. Rayner caught some very fine catches in the slips which played a big part in some of our victories.

We were soundly thrashed by Graeme but plead that Birt, Smith and Phillipson were playing for the 1st XI, denuding the side of its real stars.

Williams, M. J. developed considerably as a captain and batsman and did an invaluable job of organizing and supervising during the year.

Great keenness was shown by nearly all players and although some did not shine in the batting or bowling departments, their contributions to the team came from fielding, which is possibly the most important department in cicket.

The season ended well with a resounding victory over St. Andrew's Colts which was made possible by excellent fielding and teamwork, good bowling and a fine innings by Birt.

Colts caps were presented again for the first time since the war. They were awarded to: A. R. Masterson, J. Birt, A. G. Smith, C. Jones-Phillipson, M. J. Williams, and N. Hunter.

MATCHES

v. ST. AIDAN'S.

Kingswood 113 (Smith 27, Williams, M. 16).

St. Aidan's 96 (Smith 5 for 17, Jones-Phillipson 2 for ??, Chowles 2 for 16).

Result: Kingswood won by 17 runs.

v. ST. AIDAN'S.

St. Aidan's 111 for 9 declared (Smith 5 for 32, Jones-Phillipson 3 for 29).

Kingswood 113 for 5 (Birt 56, Jones-Phillipson 20).

Result: Kingswood won by 5 wickets.

v. ST. ANDREW'S III.

Kingswood 94 (Jones-Phillipson 44, Smith 19).

St. Andrew's 53 (Smith 4 for 17, Birt 2 for 16, Shingler 2 for 3).

Result: Kingswood won by 41 runs.

v. ST. AIDAN'S.

Kingswood 132 for 6 declared (Hunter 16, Birt 19, Smith 28 not out, Huddy 46).

St. Aidan's 59 for 6 (Jones-Phillipson 2 for 17, Shingler 2 for 17).

Result: Match drawn.

v. ST. ANDREW'S.

Kingswood 123 (Cragg 26, Jones-Phillipson 23, Smith 32 not out, Williams 15).

St. Andrew's 128 for 7 (Smith 5 for 41, Chowles 1 for 6).

Result: Kingswood lost by 3 wickets.

v. KINGSWOOD II.

Colts 191 for 7 declared (Birt 119, Williams, M. 24, Huddy 18).

Kingswood II 136 (Birt 6 for 48, Shingler 1 for 24, Zunckel 27).

Result: Colts won by 55 runs.

v. GRAEME.

Graeme 166 (Morrison 2 for 30, Shingler 2 for 31, Moss 2 for 6).

Kingswood 61 (Liebenberg 25, Hunter 12, Rayner 12).

Kingswood 2nd innings 78 (Du Plessis 14, Williams, M. 34).

Result: Kingswood lost by an innings and 77 runs.

v. ST. ANDREW'S.

St. Andrew's 60 (Smith 2 for 17, Birt 4 for 8, Jones-Phillipson 2 for 13, Shingler 2 for 11).

Kingswood 173 (Birt 86, Jones-Phillipson 25, Huddy 47).

St. Andrew's 2nd innings 147 (Smith 3 for 54, Hunter 4 for 3).

Kingswood 2nd innings 26 for 2 (Smith 11 not out, Huddy 12).

Result: Kingswood won 1st innings by 113 runs.

3rd XI MATCHES

v. ST. AIDAN'S.

Kingswood 91 (B. Meyers 45 not out, Itzekowitz 20). St. Aidan's 29 (Fletcher 5 for 12, D. B. Wallace 4 for 10). Result: Won by 62 runs.

v. ST. AIDAN'S (return match).

St. Aidan's 87 (Itzekowitz 5 for 29).

Kingswood 40 (Todd 8).

Result: Lost by 47 runs.

v. ST. ANDREW'S COLTS "B".

St. Andrew's 232 for 6 declared.

Kingswood 160 (Todd 47, Knight 30).

Result: Lost by 72 runs.

v. ST. ANDREW'S III.

Kingswood 124 (B. Meyer 51, Todd 18, Wallace 18).

St. Andrew's 124 for 5 (Fletcher 3 for 47).

Result: A tie according to the book, but a moral victory for St. Andrew's.

v. ST. ANDREW'S III.

Kingswood 107 (Todd 30, Meyers 18, M. Evans 16, K. Williams 16).

St. Andrew's 114 (Fletcher, Todd and Bosch each took 2 wickets).

Result: Lost by 7 runs.

SENIOR FIELD DIVISION

Three matches were played during the term, of which two were lost and one won.

The most successful bowler was D. Meyer who took 16 wickets in the three games. No one batsman was outstanding, but the team was only once put out for less than 100.

The results were as follows:-

v. ST. ANDREW'S 6th XI.

Kingswood 108 (Meyer 24, Overdych 26, Harris 19).

St. Andrew's 128 (Meyer 7 for 18).

Result: Lost by 20

v. QUEEN ALEXANDRA SCHOOL (Port Alfred).

Kingswood 76 (Baines 24).

Queen Alexandra School 195 (Meyer 6 for 71).

Result: Lost by 119 runs.

v. ST. ANDREW'S 6th XI.

St. Andrew's 126.

Kingswood 140 (Van Niekerk 45, Meyer 25, Kennard 19).

Thanks are due to all team captains and others who helped in the smooth running of the division.

JACQUES HOUSE AND PREPARATORY NOTES

This, too, has been a most successful and enjoyable term and we can all look back upon the last three months with much satisfaction. Right from the start a steadiness and ready co-operation made for smooth working and an exceptionally fine spirit was built up to carry us through to a happy ending.

Credit for this cannot go to any particular section for it only becomes possible when everyone is trying to help as much, and hinder as little, as they can, but all will agree that our prefects John Gittins, Peter Wrighton, Ramonne v. d. Merwe and Ivor du Preez contributed a very big share by their good team-work, unselfishness and reliability.

As was done last year while senior athletics and cricket were getting under way, several "soccer" practices were arranged and provided much fun for many "would-be" players as well as the spectators. Mr. Stuart Thompson agreed to coach and soon had two XIs in fair shape. The B's lost narrowly to Wanderers' Juniors by 2—3 but the A's went down by 6 goals to nil to a Junior Westview XI whose combination and positional play was an object lesson and often had our lads flummoxed.

Unfortunately a virus-influenza made its unwelcome appearance in the senior school and Mr. Thompson was one of the first victims. This and the subsequent quarantine resulted in the cancellation of the games against St. Andrew's Prep which had been eagerly anticipated.

The epidemic spread rapidly and the Sanatorium soon overflowed, demonstrating once more how urgently the additional wards which have been under considersation are needed. The Junior School escaped for some time but before the end of September two of our prefects went down and we knew then that our number was up. First Dormitory was turned into a sick bay with Sister Lacey in charge and extra beds were placed in the library. Altogether we had more than 50 cases, all comparatively mild.

The new tractor and gang mower make light work of cutting the fields and the extra accommodation on Dold Field and the truer surfaces have proved a boon to junior cricketers and coaches, besides improving the appearance of the grounds. If these fields can be top-dressed soon they should be in excellent condition next season.

Once again the swimming-bath has been a boon and a blessing and thanks to a generous allotment for the Junior School many a delightful three-quarter hour has been spent there on hot days. Our thanks to Peter Wrighton for his conscientious supervision not only of the chlorination plant but of the smaller folk too.

We were glad to see Errol Yeatman, who is farming near Salisbury (S.R.) and Kollenberg, who is at N.U.C.

October 1st saw the rain still streaming down. Five inches had fallen over the week-end and washed out the bowling tournament and the gymkhana which was to have opened the local Gala Week. All caps, coats and shoes were soaked and we were practically confined to barracks and in some cases to bed when no dry "togs" were left.

This date, too, saw the local Broadcasting Station commence its triple programme (English, Afrikaans and Springbok). Probably the only listeners who were not pleased with the new arrangements were the "crystal set" brigade who found all three programmes coming through together.

Dr. Thomas Alty, Vice-Chancellor of Rhodes University, recently urged youth "to search always for truth and to distrust propaganda". This ability to think straight without fear or prejudice is a priceless endowment in the topsy-turvy world of today—and apparently no one's too old at 60 or too young at 12 to begin training.

Sister "Meg" Banwell was fortunately at hand to take over the Sanatorium during Sister Perriott's absence on sick leave. Upon her fell the heavy strain of the 'flu epidemic but she coped with the situation very cheerfully and efficiently. "Prep" sent her a bouquet to say "thanks" for all her help. We were glad to see Perriott back about half-term quite fit again and thoroughly rested.

In a recent broadcast address on "Bad Language" it was suggested that Nelson's historic signal would probably read in modern "lingo": "England anticipates that with regard to the current emergency, personnel will duly implement their obligations in accordance with the functions allocated to their respective age groups"!

The rewiring of Jacques House has been completed and new fixtures have eliminated all exposed flex and provided conveniently placed plugs in staff and prefect rooms.

In an old "History of Grahamstown" we read that the "Wesleyan High School (now Jacques House) was designed and built by Mr. Sydney Stent, C.E., at a cost of £11,000, the greater portion of which was raised by the Albany community. The first Lady-Principal was Miss Constance Walton and Miss Lowe was Lady-Resident. It would cost nearer £70,000 to build now!

An extract from the August-September issue of Proscenium, the official organ of the F.A.T.S.S.A., makes interesting reading. In a report on Schools' Festival Week at Grahamstown, at which a record entry of 20 plays was achieved, Miss Elizabeth Sneddon of Natal University, who adjudicated, said that she found the standard very high, and one play—the scenes from "Nicholas Nickleby", entered by Kingswood Preparatory (Under-13 Section)—was the best children's production she had seen in this country or overseas. High praise, that reflects much credit on the boys who took part and particularly on Mrs. Carol Tarr, who produced "Dotheboys' Hall".

A generous but annonymous sportsman presented us with a handsome silver Trophy (with miniatures) for the Under-14 tennis. The first holder will be Barry Purdon.

In common with everyone else at Kingswood we very regretfully said "goodbye" to Mrs. Baines who, upon her husband's retirement from the Standard Bank, was moving to Cape Town. At a lunch we presented her with "a bag full of good wishes". We hope they will be very happy in their new sphere where "Bobby" has joined the S.A. Mutual.

We were glad to welcome Mr. and Mrs. George Bovet and their daughters from Geneva, and Mr. and Mrs. E. Cocks from E. London. It is more than 30 years since George (Toto) left and, as chance would have it, he was able to befriend "Monkey" during the war when he escaped across the border from an Italian P.O.W. camp.

According to a Natal headmaster South African schoolboys lack self-confidence and capacity for leadership. He attributes this to the "easy" life in this land ("what they want, more often than not, is forthcoming with but little effort on their part") and to the fact that most of them begin "bossing servants when they themselves have scarcely learned to obey. This does not seem to be true of all the Provinces?

Mr. Brian Rooke, playing tennis for Eastern Province vs. Border, was in excellent form and never dropped a set. Mr. B. Phillips of Queenstown, non-playing captain of Border, offered Mr. Rooke a racquet for competition in our Under-12 Division. It was won by Chris. Vandoros of S. Rhodesia.

The "Jack Ellis" Cup, the Junior "Sodality" Trophy, was awarded by house ballot this year to G. B. Smith. He was an easy winner and well deserved the honour.

On the occasion of the 101st Anniversary of Commemoration Church, Rev. J. B. Webb conducted an interesting and impressive service. The message he left for the young folk was that always, if you play fairly, something has to be *given* before you can hope to *get!*

Miss Webster and Miss Havenga arranged a most enjoyable Junior playlet, and bright musical party. As usual Miss Webster contrived that everyone in her classes should have some part in the play and much of value in teaching team work was achieved, besides a picturesque and entertaining presentation of "The King's Jester". Coffee and "eats" in Jacques House Library ended a delightful evening for parents and boys.

Rev. and Mrs. F. H. Edmonds and Pat had lunch with us just before their departure to Kimberley. Again it was hard to take leave of those on whom we had come to rely so much and to thank them adequately for all their help and interest. Revs. Edmonds and Howard Kirkby took the end of year service in Commem. and besides the traditional "God be with you" another hymn, No. 601: "Every task, however simple, sets the soul that does it free", seemed most appropriate.

Professor C. P. Dent from Fort Hare presented prizes, a thought-provoking address, and a holiday which the Headmaster granted at his special request. All were much appreciated. "New Boys" Concert in the Junior Hall was an hilarious affair enthusiastically compéred by Geof Smith, Pat Jackson and Eric Smith. When all the usual candidates had been promoted to the "Ancient Order of Kingswoodians" it was inconveniently remembered that John Rist was a "new" prefect. Very sportingly he sang his song!

Mr. and Mrs. Ken Stirk and Dr. and Mrs. Ron Wylde were guests of honour at "End of Year" Supper. What long ago would have been termed a "sumptuous repast" was thoroughly enjoyed and then followed community singing and some excellent items. Gerald Hirshon sang very well and two comic efforts by Pat Jackson, Mossop & Co., "The Three Mikes" and "Bushy's Family" brought the house down.

Contributions were made from the "House" to Grocott & Sherry's Xmas Cheer Fund, Native and Non-European Xmas Tree Funds, Lepers' Xmas Cheer, the Rotary Anns' "Homes for the Aged" Fund, and the Child Welfare Society's "Our Children's Day".

"College Cinema" or "School Flick" continues to provide entertaining and instructive programmes—anyway well worth missing "prep" to see. This term we have had "The Overlanders", "Neptune's Daughter" and "Fighting O'Flynn". The best of the "educationals" were "Great Lakes", "The House Fly", and "City Bound". Various swimming, cricket and athletic instructional films have been screened.

We were proud to note that David Fernley and Peter Copeland were both selected for the Western Province Nuffield Cricket side this year from "Bishops".

An interesting letter arrived from Denis Trotter in the bank at Limbe, Nyasaland.

Wind blowing a gale, trees and telephone wires down, dust and grit everywhere but in the Junior Hall foolscap and blotting paper was being handed out for final examinations! In spite of "conditions" that would have made even Craven's Springboks quail we came through without a hitch. Final placings were:—

Form 3A—A. Behrmann, J. Bruce, J. van Zijl. Form 3B—T. Brickhill, H. Gush, P. Jackson.

Form II-R. Darroll, T. Masterson, H. Eltringham.

Std. IV-J. B. Stephenson, M. J. Cobden, J. H. Fleming.

Std. III—J. Bannister, R. Ward, E. Parsons.

Std. II—R. Blair, A. Bouwer, J. Strickland.

Std. IA—N. Holland, B. du Toit, B. Venter. Std. IB—B. Michaelides, W. Meinesz, C. Gault.

The three golden rings on an azure field that fill one of the quarters of the Grahamstown Coat of Arms are the rings of Van Riebeeck. Governor de Mist granted to the Colony before he left round about 1800 the right to use the heraldic arms of Van Riebeeck.

"Way down upon the Kowie River — Not far away
"That's where my heart is turning ever — That's where I hope to stay."

New words to an old tune—that apply to "Bushy", whose long period of service as "houseboy" (some 30 years) is drawing to an end. It is intended to help him acquire a plot of ground for a home of his own. Recent donations are Rev. Howard Kirkby £1; G. R. Dowthwaite £1; R. van der Merwe £1.

And finally "Prep" thanks all who this term again have helped in the many different ways there are "to make the wheels go round smoothly and steadily". Prefects, Matrons, Doctors, Teachers, Preachers, Hosts and Hostesses, Domestic and Outside Assistants, and last but not least the many "privates" who without "aubreying" have quietly pulled their weight in work and play and House affairs.

JUNIOR SCHOOL CRICKET

UNDER 14 DIVISION

There has been a general improvement in this division since the first term, and it would seem that several players are one day in the near future destined to make their mark in Kingswood cricket. A glance at the results of matches played is never really indicative of the real strength of a side, but it may be seen that we have won our fair share. St. Andrew's have had a particularly strong Under-14 side this year, and though we did not manage to beat them, we had thoroughly enjoyable games against them.

A bat was very kindly presented by Mrs. Gardiner for the best all-round Under-14 cricketer. This bat was presented to the Division captain, B. Purdon, who has at all times led his team well, has been an example to his side in batting and is developing into a more than useful wicket-keeper.

A further award was made, also in the form of a bat. The Division, as a whole, voted for that players who had displayed those qualities as a sportsman and cricketer which they themselves would like to possess. This bat went to G. B. Smith.

W. Haselau has at all times batted well, and has consistently made good runs. He has good powers of concentration and is developing a more upright stance which should help him in the future.

L. Badings is a most useful all-rounder, and he and R. Keast

are perhaps the two most outstanding fielders.

The two opening bowlers, G. B. Smith and R. Rowe, have developed into a good combination and can use the new ball most effectively.

Those who have played for the "A" team are: B. Purdon, G. B. Smith, W. Haselau, D. Kelly, R. Keast, R. Rowe, E. P. Smith, L. Badings, C. Wallace, H. Veale, A. N. Stirk, A. Meintjies, R. Crowther.

The "B" team, under the captaincy of A. Meintjies and P. Stern, have also gone ahead, and even though they have not had as many matches as the "A" team, there is promising material here too for the years ahead.

MATCHES PLAYED BY "A" TEAM

v. ST. AIDAN'S.

St. Aidan's 17 all out (6 wickets for 10 runs: G. B. Smith 3 wickets for 1 run).

Kingswood 68 all out (W. Haselau 26; H. Veale 9).

Result: Won by 51 runs.

v. GRAEME COLLEGE.

Kingswood 42 all out (W. Haselau 18; Kleingeld 4 for 9). Graeme 24 all out (Keast 6 wickets for 7 runs).

Result: Won by 18 runs.

v. ST. ANDREW'S.

Kingswood 82 all out (D. Kelly 24; W. Haselau 15).

St. Andrew's 163 (Barker 86; McPhee 44; G. B. Smith 3 wickets for 61).

Result: Lost by 5 wickets.

v. GRAEME COLLEGE.

Kingswood 86 all out (G. B. Smith 18; L. Badings 13; R. Rowe 13).

Graeme 105 all out (T. Meyer 33; L. Badings 5 wickets for 28).

Result: Lost by 19 runs.

v. ST. AIDAN'S.

St. Aidan's 46 all out (Graham 19; R. Keast 5 wickets for 17). Kingswood 58 for 4 wickets (W. Haselau 31 not out).

Result: Won by 6 wickets.

v. ST. ANDREW'S.

St. Andrew's 157 all out (Van Coller 55; R. Keast 6 wickets for 36).

Kingswood 80 all out (H. Veale 15; D. Kelly 10; Harte 5 for 7).

Result: Lost by 77 runs.

UNDER 13 DIVISION

This season has been, I think, a most successful one. The score book shows that all four games played in the last term were won, but score books make no mention of keenness and enjoyment. I myself would like to pay tribute to all players for their keenness, enthusiasm and sporting spirit, and where these qualities are

present enjoyment follows automatically.

The chief strength of the team lay in its bowling. The policy of sacrificing spectacular but erratic pace for a slower, remorseless attack on the stumps paid rich dividends. In the Graeme match, for example, we emerged with the following figures: Mossop 3 wickets for 1 run; both Truscott and De Haes took 2 for 6 and Perkins emerged with 2 wickets for 5 runs. But these figures would not have been achieved had it not been for the excellent support of the bowlers in the field. Letcher and Du Plessis particularly distinguished themselves in this sphere.

Our major weakness has been batting. Behrmann was a tower of strength and played many a captain's innings and he was well supported by Cobden and on occasions by Du Plessis, but generally speaking the bad ball was treated with far too much respect while good length balls were swiped at with a wild abandon, but a little coaching by the experts in the Under 14 and Colts will

doubtless soon rectify most of these errors.

DETAILS OF MATCHES

K.C. Under 13A 61 runs; Graeme U.13A 33 runs.

K.C. Under 13A 100 runs; St. Andrew's Prep 2nd XI 40 runs.

K.C. Compo A 98; St. Andrew's Prep 1st XI 84 runs.

K.C. Compo B 48; St. Andrew's Prep 2nd XI 47 runs.

UNDER 12 DIVISION

Eight matches were played this season which were enjoyed by all members of both the A and B teams. It was realized that, although there was a good deal of batting and bowling ability, which was apparent in practice matches, few batsmen and bowlers could be relied upon in inter-school games. Perhaps a lack of match temperament caused this; perhaps it was that no player could go out and play for his side, especially when a rot has set in, but he was inclined "to take a dip" early in his innings.

There was a place in the A side for a slow bowler with good direction and accurate length, which was filled by Henderson, T. only half-way through the season, and by Van Schalkwyk, W.; to a lesser degree towards the end by Brotherton.

During the season Beaumont, Hirshon, G., Moffett, M. and Hayward, J. had good overs, but bowled, usually, four balls out of eight short and wide.

Masterson was the most polished bat in the Division but should have made more runs than the recorder shows. He will do well later. Brotherton and Beaumont were the safest batsmen while Moffet and Van Schalkwyk were the fastest scorers.

The results of the first match, played against St. Andrew's Prep, resulted in an exciting win for Kingswood by three runs.

Kingswood 38 (Van Schalkwyk 10, Breen 8 not out).

St. Andrew's Prep 35 (Brotherton 5 for 13, Masterson 3 for 11).

The second "A" match, played against St. Andrew's Prep on November 7th, was another win for Kingswood by three runs.

Kingswood 53 (Van Schalkwyk 14 not out, Purdon 8).

St. Andrew's Prep 48 (Masterson 4 for 17, Purdon 4 for 15).

Kingswood lost the third "A" game against a stronger St. Andrew's Prep side on 17th November.

St. Andrew's Prep 123 for 8 declared.

Kingswood 40 (Hayward 28, Moffet 12).

Graeme Under 12A batted well against Kingswood on 28th November, and led on the 1st innings.

Graeme 68 (Van Schalkwyk 5 for 23).

Kingswood 40 (Moffet 13, Hayward 11).

2nd Innings:

Graeme 18 (Van Schalkwyk 5 for 7, Masterson 4 for 8).

Kingswood 59 for 2 (Masterson 30, Hershon 11, both not out).

Result: Kingswood won by 8 wickets.

The Last "A" game was played against St. Andrew's on Friday, November 30th.

Kingswood 35 (Brotherton 11, Hirshon 9).

St. Andrew's Prep 68 (Moffet 3 for 19).

Borras, Beaumont and Breen should be mentioned for their keen fielding throughout while Masterson (capt.) and Brotherton (vice-capt.) managed the side with responsibility.

The "B" side played three games against St. Andrew's Prep. Van Breda, M. handled the side ably but the opposition were too strong.

The first match on Wednesday, November 7th.

Kingswood 33 (Borras 10, Wellington, A. 9).

St. Andrew's Prep 78 (Wellington 8 for 35).

Second match played November 17th.

Kingswood 23.

St. Andrew's Prep 100 (Kramer, J. 4 for 27).

Third match against St. Andrew's Prep on Friday, November 30th.

Kingswood 26 (Levitan, J. 9).

St. Andrew's Prep 30 for 4 wickets (Van Breda 2 for 11).

UNDER 11 DIVISION

Regular net practices and several very enjoyable games provided adequate practice and there was a marked all-round improvement in several players in both the "A" and "B" teams. Smarter calling and running between the wickets, harder hitting of loose balls and a better sustained alertness in the field have all contributed to producing a very creditable standard of play. Our equipment, too, is second to none and it is hoped that coaches and players will combine to ensure that bats, mats, etc. are treated with reasonable care.

RESULTS

UNDER 11A

v. ST. ANDREW'S PREP Under 11A.

Kingswood 123 (N. Purdon 50, Wellington 24, Cobden 14). St. Andrew's Prep 22 (Littler 5 wickets; Purdon 3).

v. GRAEME Under 11A.

Kingswood 29.

Graeme 51 (Purdon 5 wickets; Dyer 3).

v. ST. ANDREW'S PREP Under 11A.

Kingswood 58 (D. Hiscock 17, N. Purdon 16).

St. Andrew's Prep 14 (Wellington 5 wickets, Purdon 4).

v. TOWN LADIES XI.

Ladies 21 (Dyer 5 wickets; Cobden 4 wickets).

Kingswood 40 for 5 declared (Hiscock 15, Cobden 10).

Ladies 51 for 5 declared (Wellington 3 wickets).

Kingswood 19 for 4 wickets.

Result: Won on 1st innings.

v. ST. ANDREW'S PREP Under 11A.

Kingswood 53 (Purdon 11, Wellington 18).

St. Andrew's Prep 33 (Dyer 7 wickets).

UNDER 11B

v. ST. ANDREW'S PREP Under 11B.

Kingswood 29 (D. Fold 7).

St. Andrew's Prep 34 (Littler 4 wickets; Fleming 2 wickets).

v. ST. ANDREW'S PREP Under 11B.

Kingswood 133 for 7 declared (Littler 43, Canepa 20, Job 25, Fleming 15).

v. ST. ANDREW'S PREP Under 11B.

Kingswood 83 (A. W. Anderson 31, Kaplan 16).

St. Andrew's Prep 18 (R. Warner 5 wickets, D. Fold 4 wickets).

In addition to the above games in the age groups it was found possible to arrange a score or more games for "Composite XIs", enabling undeveloped players who ordinarily would have had no match practice in their particular groups to "get out in the middle". These games afforded considerable enjoyment and brought on several players who might otherwise have languished unseen and unsung. We are most grateful to those whose co-operation made this possible.

JUNIOR TENNIS

Junior players have been very active this term, no fewer than three tournaments being successfully concluded and four very pleasant outside fixtures being played. In this connection very sincere thanks is due to the anonymous donor of a trophy and miniatures for the winner of the Under 14 Section and to Mr. Bertie Phillips who presented a racquet for the winner of the Under 12 Tournament.

In the Under 14 Competition Barry Purdon showed promise in defeating Charles de Haes in the finals—the unsuccessful semifinalists being Mossop and Meintjies.

C. Vandoros, who has made great strides this year, unexpectedly defeated T. Masterson in a keenly contested encounter to become champion of the Under 12 Section, while A. Wellington won a close and exciting match from N. Purdon to gather the Under 11 laurels. Others who showed promise among the younger players were M. Cobden, Dyer, J. Dacam, J. Hayward and M. Moffett.

An Under 14 side consisting of B. Purdon, De Haes, Whitehead, R. Wicks, Meintjies and Mossop lost to a well balanced St. Andrew's side. We were actually in the lead at half-way but our second and third couples were not equal to the challenge.

Against the D.S.G. 1st Team an Under 14 side consisting of B. Purdon, De Haes, Whitehead, Mossop, D. Cobden and Perkins distinguished themselves by holding the girls to a draw in matches, although on a count of games D.S.G. were adjudged the winners. Purdon and De Haes won all their setts.

Another junior team with De Haes, Mossop, Whitehead, R. Wicks, D. Cobden, Perkins, Vandoros and Masterson had two matches against St. Andrew's Prep. The first was lost narrowly by two games but the following week we managed to turn the tables by 20 games.

OBITUARIES

ARTHUR PERCIVAL RICHARD FENNELL

Dr. Arthur Percival Fennell, who for 40 years was in general medical practice in Butterworth, died at the age of 73. Dr. Fennell was born in the Transkei, and was one of the first two boarders of Kingswood at the old "Tin College". He graduated at Edinburgh, and returned to Butterworth where he practised until his retirement. He married twice and is survived by his widow, four children by his first marriage, and two stepchildren. To them we extend our deepest sympathy.

HAROLD COURTNEY FULLER

Courtney Fuller was one of four sons of H. N. Fuller, an Old Kingswoodian. Courtney was at Kingswood from 1929 to 1933. In 1931 he gained a first class Junior Certificate. Two years later he matriculated, gained his 1st XV Colours, and was a corporal in the Cadets. At the outbreak of war he joined the 1st Transvaal Scottish and fought in the campaigns with the 1st S.A. Division. He had the misfortune to be taken prisoner of war. On September 9th, 1951, he died very suddenly of coronary thrombosis. He was 36 years of age. All his brothers served in the war: Denis as a doctor in the S.A.M.C.; Guy as an officer in the Royal Navy (Submarines), and Royce in the Tank Corps. Royce was unfortunately killed while serving in Italy. We extend our deepest sympathy to Mr. and Mrs. Fuller, who are living at Roycelea, near Maritzburg.

GENERAL

- MRS. "POPPY" WILLIAMSON visited her nephew, DR. NOEL GANE, in Salisbury last August. To celebrate Mrs. "Poppy's" visit, there was a gathering at Dr. Gane's residence of Old Kingswoodians, most of whom needed no introduction to her. Those present with their wives were: M. C. Mossop, Keith Wood, Bevis Barker, Fred Osborne, Tom McCracken and C. Mallett. Unaccompanied were Jack Startup, Ken Wilman, Derek Short, H. H. Parker and Frank Guest. M. C. Mossop, speaking for the Old Kingswoodians, voiced their pleasure at meeting the only woman O.K., and thanked her for all she had done for Kingswood over so many years.
- Christopher Ross, formerly of Pretoria, is now in Salisbury, where he has entered a firm of chartered accountants. He suggests that this piece of news be broken gently to Mr. Denis Purdon. Writing of his voyage from Durban he says: "At Lourenco Marques I went along to a concert given by the crew of the British cruiser *Bermuda*. As we were filing out of the little hall after the concert, someone grabbed me by the hand and

began shaking it vigorously. I must admit I was somewhat taken aback at this, but I soon realized the reason; I was wearing my O.K. blazer, and the man turned out to be Carey, of '31 vintage. In the hurried conversation I established the fact that he was on the same ship, and was also going to Rhodesia. I was travelling tourist. I never saw him again, so I concluded he was a first class passenger—unless he was working his passage. Since I have been in Salisbury I have wasted no time in looking up a couple of O.K.s. I have been corresponding with Bill Kirkham, who tells me that they intend to move from Gwanda to Gatooma, which is much nearer to Salisbury."

- DEREK SHORT and ALISTAIR Ross are both in Salisbury, in the same office, paying teachers. Derek feels that in some measure he is "getting his own back!"
- J. T. Oosthuizen, recently of Cape Town, has taken up residence in the Transvaal. His address is Box 233, Vereeniging.
- MICHAEL BARNES, who left in 1950, continues to improve on the track. He recently turned in a time of 1 min. 59 sec. for the 880 at Wits.
- LILE WORTHINGTON writes that Jack Osborne is now working at Kimberley, and that he and Jack often play golf together. During his leave he met REDPATH, RABBETS, and DON WALLACE at Pietermaritzburg.
- O. T. Carey of Bothaville, O.F.S., is President of the Africander Cattle Society of South Africa. In September he visited Rhodesia as a judge on the Salisbury and Bulawayo Shows, and while he was there he met JOHN SHINGLER of East London (from whom this news). O. T. Carey and his brother W. E. Carey, of East London, are both solicitors. There have been Careys at Kingswood most years for 52 years, and O. T. is looking forward to escorting his young grandsons to Kingswood in the near future. The last Carey he brought down was his youngest son Clarence, in 1942.
- ALWYN Q. DAVIES, of Cape Town, and his wife are holidaying at the Kowie. A. Q. finds tennis a little too exacting nowadays and has taken to golf for his exercise.
- GORDON WOOD has, we understand, retired from the bank, and is at Knysna.
- KENNETH DEARY is an estate and insurance agent in Cradock. Congratulations on his recent engagement to Miss Stella Hosking.

- ANDRE DE VILLIERS, in a party of 34 South African farmers, went overseas on a tour. They visited 14 different types of farms in England, and then went over to the Continent and visited France, Switzerland, Belgium, Holland, Denmark and Germany. In Switzerland they tried skiing.
- ROY HARE of Wolvefontein, Colesberg, has also been touring overseas, in company with a Colesberg Old Andrean. De Villiers bumped into him at Montreux, in Switzerland.
- GAR NASH is now with Central African Airways, with his head quarters in Salisbury. He does a great deal of flying, and has been all over the Rhodesias and the neighbouring countries. He left the South African Airways in March, 1951. Congratulations on his recent engagement to Miss Edith Dove of Salisbury.
- James Nash is working for a firm of surveyors in Port Elizabeth. He is living in Walmer. Owing to pressure of work he has not been able to do any rowing this year.
- HENRY NASH is in Graaff-Reinet, where he has a chemist's business. He has a three-year-old son, Rodney. Henry has been doing very well at cricket, playing for Graaff-Reinet.
- WILLIE DU PLESSIS lost his father recently, very suddenly. To him we extend our deepest sympathy.
- Congratulations to Winston Cordingley of Selborne College, East London, on his appointment to the principalship of the Cathcart High School.
- IAN GRAHAM IVY writes that he is now working in Paarl, where where he has met several O.K.s, among whom he mentioned Gordon Dick, holder of the Western Province dancing championship, and Benjie Droomer. At Cape Town he met 'Camel' Beck, the Barty brothers, Derek Tunstall and Ian Hoole. He writes that he was disappointed at not being able to attend the O.K. dinner and dance.
- LESLIE SLABBERT, recently married, intends to live on the farm "Constantia", in the Graaff-Reinet district.
- There have been numerous visiting Old Kingswoodians, and to them all we extend our thanks. It is stimulating to the present boys to find past pupils of the College returning to their old haunts because of their interest in the progress and well being of Kingswood.
- L. E. Berrington, on his honeymoon, called in for a chat with Jack Slater.
- E. Q. DAVIES, doing a recruiting tour for Iscor, paid a fleeting visit.

- P. Vos, of Carnarvon, who left Kingswood in 1921, called in on his first visit since Reunion in 1946. He has left his son, Pieter, managing "Zandvlei", while he and his wife wend their way to the island at Grak Brak River where they will spend their annual holiday.
- GEORGE ANDERSON, of Bloemfontein, on his annual leave, motored through these parts, spent part of his time at East London, and called in at Kingswood.
- GEOFFREY (TAFFY) EVANS of Uitenhage, called in when he came to fetch his younger brother after the Matriculation examinations. He gave some useful news of Uitenhage Old Kingswoodians.
- RICHARD HOLMES paid a brief visit to Kingswood during his 10-day vacation. He is attending commercial classes at the Port Elizabeth Technical College. He manages to type reasonably expertly with one hand and, with exercises, hopes to improve the muscles of what is left of his left hand. He is bright and cheerful, and shows commendable spirit in the face of adversity.
- DR. Bob Hoole, of Bulawayo, on long leave, has paid two visits recently, when he brought young Robert down in September, and when he fetched him after the Junior Certificate examinations were over. Bob is looking fit and lean, and not in the least bit down in the mouth, as a dentist should.
- DON SOLE and his wife spent an evening at Wood House. He told of his most interesting trip to Nairobi, where he and the British representative formed the Secretariat at the Defence talks. After the official business was over, finding they had a day to spare, they visited Zanzibar and were entertained sumptuously by the Sultan.
- ERROL YEATMAN also called in. He is farming in Southern Rhodesia, near Marandellas.
- L. J. WILKINSON and his wife and family are spending some time at the Kowie. They called to see Kingswood, but found the place almost deserted. They hope to contact Jack Slater and E. Q. Davies, who is also holidaying there, during their stay.
- Christmas Greetings have been received from Ronnie Stephen,
 Jack Fitchat, Gereal Reed, Dick Day, Des. Cameron, C.
 A. Marriner, Noel Edkins Geoff Faulding, Michael
 Mendelsohn, Brian Harris, Peter Leigh, Bill Vorster,
 Gilbert Nicol, Ronnie Joseph, Alwyn Robinson, Colin
 Tucker, Nigel Mandy, Hugh Murcott. Thanks for your
 good wishes.

Twenty-seven of the 42 boys in the matric class have already joined the Old Kingswoodian Club, and several others have promised to do so. During this year full life membership subscriptions have been received from P. J. Steynberg, Bill Kirkham, A. S. Alger, Otto Houzet, David Bray, Denis Zipp, T. Lombard, George Anderson, J. Scott King, J. E. Curnick, J. T. Cleverdon, Don Long, John Grundlingh, Peter Wallace, Dawie du Toit, Leon Vosloo, Herby Cumber, Andre de Villiers, Brian Mackenzie, J. C. Weir, A. W. Evans, L. B. Green, A. C. Hobson, N. N. Collett, G. A. Batteson, Brian Harris, and Trevor Fletcher.

JIMMY ELLIOTT, the Eastern Province boxer, has been doing well. At an exhibition match early in October he was matched against his team mate, and the newspaper report subsequently read: "The best boxer on view was the cool, calculating Elliott, who has a facial resemblance to Freddie Mills. Elliott found the going easy against his team mate, the fight being stopped in the second round." Later in October Elliott was beaten on points in the semi-finals by R. Smook, who eventually won the South African title.

IAN STEPHEN, the Springbok sculler, gave a superb exhibition to win the Buffalo Silver Sculls for the fourth time. He won by four lengths from his brother Scott Stephen.

NIGEL MANDY was chosen to represent Border in the South African inter-provincial athletic tournament for the Union Castle Trophy at Benoni in November. He was chosen to compete in the 110 and 400 metres hurdles.
