Dear Cde Ismail,

Thanks for your letter dated 4th August, 1982 in which you indicate that the Irish Anti-Apartheid Movement express their interest in sending comrade Louise Ismail to Mazimbu.

As we had indicated almost two years ago, when this matter was just raised, we have no objections to such a visit.

We have received your telex dated 12/3/82 which indicates that she will be visiting our school in September. We have informed our chief Representative, Comrade Mabazala about this. We are hoping that she'll have a very pleasant stay with our Comrades and that she'll go back to Irish people to collect all the material aid that she can possibly get.

Amandla.
