Amsterdam, January 5, 1979

Dear Comrades,

In the end of October last year two members of the Holland Committee on Southern Africa visited the A.N.C.-Headquarters in Lusaka.

There we discussed - among other things - the Morogoro School project with comrades Nkobi, Moosajee and Dennis.

At this occasion the tailoring project in Morogoro was also discussed. From the comrades in Lusaka we learned that the tailor connected to this project was in Toronto, Canada, at that moment. They proposed to contact him there and as funds for the tailoring project are available in Holland for some time now, to invite him to come to Holland on his trip back to Africa.

As we did not know your address and not even the name of the A.N.C.-tailor, it took us some time to write you this letter. We wonder if he is still in Toronto so that we can still offer him a ticket to go through Holland to Africa and have discussion with him here. If not so, we should like to ask you if you can tell us where we can find him now.

Finally we would like to ask you if you are interested in receiving our paper with press cuttings on Southern Africa, 'Facts and Reports', once in two weeks. We can offer you a free subscription. Next to this letter you will find the latest edition.

We hope you can give a reply to this soon.

With revolutionary greetings,

Ton van Schijndel
