HONOURABLE OLIVER TAMBO
PRESIDENT OF THE A.N.C.
P.O. BOX 31791,

LUSAKA

- (Zambia)

Your Excellency,

As part of the Silver Jubilee anniversary celebrations of the Organization of African Unity (OAU) scheduled for May 1988, the Pan African News Agency (PANA) will be transmitting and publishing a series of articles and interviews with leading African personalities including those of liberation movements.

Key African leaders, especially the founding fathers of the OAU and prime movers of liberation movements will be interviewed and given a special place in our transmissions and publication.

The Pan African News Agency believes victory for the struggle is in sight and will step up its effort to support the struggle by giving it the most comprehensive and thorough coverage.

It is in this spirit that we would be very grateful if you could use your good offices to receive from Mr. Nelson Mandela answers to the four short questions attached to the present.

We believe an interview with Mr. Mandela will give a special dimension to our initiative and hope to receive a favourable response from you.

Yours sincerely,
