Dear Oliver,

You will recall we met at the Maritime Unions
Anti Apartheid Conference in London.

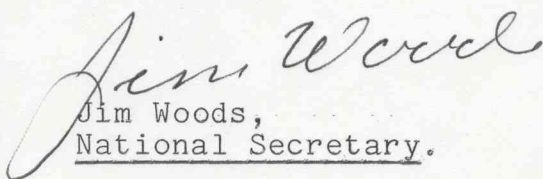

At the social evening on 30 November you asked
if I could find out if there was any film of
our late comrade Andrew Molotsany during his
stay in New Zealand.

As promised I tracked down some footage and
other comrades of the anti-apartheid movement
came forward and have produced some good
coverage of Andrew's involvement while here.

I trust Andrew's parents will take prints of
the film and will be able to see how Andrew
became part of the movement down in New Zealand.

Trust you and the movement are well.

Yours fraternally,

Jim Woods,
National Secretary.

Dear Jim,

I was excited to receive your letter, recalling our meeting at the Maritime Unions Conference in London.

That conference was a great historic event in the struggle against apartheid and we are confident that its decisions will be implemented to the letter.

Many thanks for the trouble you have taken to put together some film footage covering Andrew's visit to New Zealand.

Please convey our warmest salutations to all our friends in the New Zealand Seamen's Union, you not excluded.

Most fraternally,

Oliver Tambo
