DR GOVAN MBEKI

AFRICAN NATIONAL CONGRESS

P.O.BOX 23120 '

PORT ELIZABETH 6000

. Dear Dr Mbeki,

We have learnt, with great sadness, of the behaviour of the Junior Fellows on their recent research trip to Port Elizabeth. The Committee has since met to discuss the issue and appropriate disciplinary action has been taken. In addition we are arranging a meeting with the Fellows to remind them of their duties and obligation to the Project, as well as to ensure they understand that such behaviour will not be tolerated.

We would like to assure you that this will not happen in future.

Yours sincerely

Professor Makalima

Chair: Gavan Mbeki Fellowship.
