Dear Comrade Morodi :

RE : ASSISTANCE THROUGH TECHNICAL AID CORPS SCHEME

I wish to inform you that the Secretary for Education, Comrade Seretse Choabi, has written an application to the Nigerian High Commissioner in Lusaka requesting for secondment of 9 teachers for the Primary School.

If the Federal Republic of Nigeria responds favourably to our request, you will be approached by the Nigerian High Commissioner in Dar. With the present teachers from Nigeria, the clearance was done by the High Commissioner to the PMO.

We are also expecting 10 teachers for the Primary School and 10 for Secondary School through UNESCO. These are local teachers. They are all expected at the beginning of January 1989.

In The Year of United Action For People's Power !

T.K . MASEKO  
CHIEF ADMINISTRATOR.
