Area Treasurer

Mazimbu,

DIRECTOR OF SCHOOLS

Dear Cde. A. Manghezi,

I wish to draw your attention to the following issue. The Treasury Office . has been negotiating with the Z.P.C. here in Mazimbu over the transfer'gf Certain Wellfare matter to the Z.P.U. The negotiations were started with the previous committee but unfortunately, nothing was achieved. The same negotiations were restarted with the present committee - of which I am a member but to this day no agreement has been reached. It seems the negotiations are deadlocked.

At the same time, day by day, people are coming to the Treasury office wanting Umphando and ot er items. Such a continous infliow of people to this Office is seri sly distghbing the Smooth running of the Office. The attention of the Area Treasurer has been totally swayed away from thC his main duty - that of supervising funds.

Complaints regarding the unsatisfactory state of our books of Accounts have been raised. It is self-defeating to talk of Treasury Staff and delegation of duties to such a staff while most of it is composed of people wanting to leave. The present staff in the Office is as follow:

1. Kenneth Kotelo
2. Ernest Mooki - Waiting to leave at any time.
3. Khanyisile Mkhize - Expecting to leave next-year March.
9. Reuben Khongolo
- 50 Steve Batji
6. Thozama Maja

These three are ex-form ?ive's of Somafo and suppose to leave whenever Scholarships are available.

I have with the purpose of devoting my attention to supervising funds, Closed the Store. This decision is going to inconvenience many people but it is unthinkable to expect one man to Sugervise Cash, Supplies (including purchases of food items locally), obblery, Tailoring, Tuckehop etc. The political organs have wellfare officers who must assist in handling such matters.

I have in this regard issued a circular to the community ihforming them of the closure of the Store. I will very much appreCiate any effort from your side.
