Dear Adv. Skweyiye

We would like to invite you to participate in a discussion on the regional-federal issue, to be organised by the Development Strategy and Policy Unit (DSPU) of the Urban Foundation. The discussion will be taped and transcribed. and will appear as part of an edition of the DSPU journal W. This publication is mailed out on an approximately quarterly basis to 9 000 key decision-makers in the private sector. foreign embassies, political parties etc.

The discussion will be held in Cape Town on 15th March between 17h00 and 19h30.

We have had confirmed acceptances from two invitees so far. They are Colin Eglin, the DP's spokesperson, and Dr Francois Venter. the Department of Constitutional Development's key thinker on this issue. We believe that the topic is one that the ANC would wish speak on. and that you are the most appropriate person to do so. If however you are unable to attend, we would appreciate advice on who an appropriate ANC spokesperson would be. In addition to yourself and the two acceptances mentioned above, we intend inviting a senior IFP person who is especially concerned with this issue. The discussion will be co-chaired by Ann Bemeteln of the DSPU and Prof Jeff McCarthy.

Because we face tight deadlines, we would appreciate it if you could please reply to this invitation, by fax or telephone. before midday on Wednesday 24th February.

Please respond to Mr David Christianson of the Urban Foundation (Tel. 011-403 5500 ; Fax 011-3393909). We would be most grateful for your assistance.

Yours sincerely
