Dear Comrade Kaya

RE: PURCHASE OF REFERENCE BouKS FOR LIBRARY

' . ,aIn accordancewith a previous agreement with the library, I am forwarding a request fow'payment for eomelocally purchased books.

The Chief Librarian took the initiative in purchasing two Valuable reference texts from Ndiko Xaba. The price paid was 2000 shillings.

This amount was kindly paid by comrade John Carneson as comrade

'Ndiko was in the process of sealing his luggage. The amount represent about % the purchase price of the books in dollars at the current rate of exchange. The books would be a valuable contribution to our reference section and are needed to photograph and make slides-fbr badly needed visual aids.
