Dear Ms Haavisto

Re: Mazimbu and Dakawa Libraries.

The Management Committee of the Mazimbu and Dakawa projects has recommended that two qualified ANC personnel be contracted to work on the Library Project during the phasing out period.

They will be part of a core of approximately 100 people engaged by the ANC under a new salary scheme, and will work alongside volunteer and locally recruited staff for the duration of the project.

Current decisions are that SOMAFCO will continue operations until January, 1993 and on Adult Education Division until June 1993. In Dakawa the VTC is expected to continue functioning until June 1993. It is envisaged that the Library Project would continue to exist until the educational projects close. Selection of personnel is underway in consultation with FLA personnel locally.

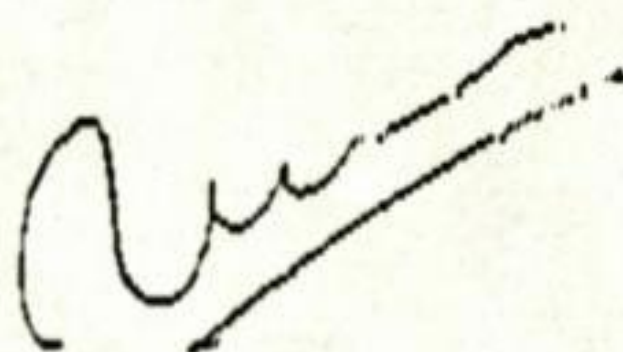

Please consider our request to fund the salaries of the two(2) Librarians for the remaining period. This would definitely entail reallocations with the budget. The annual requirement for 1991/2 is as follows:

Head Librarian ANC (overall)	-	\$19 500.00	p.a.
Librarian ANC (AV Section)	-	\$ 13 000.00	p.a.
(Asst. Head)			
		<u>\$ 32 500.00</u>	p.a.

A separate arrangement is being made for remuneration of locally recruited personnel.

Consideration is also being given to the transfer of certain components of the Project to South Africa and we will keep you informed of any developments.

Yours sincerely

Z.S. Mankazana.
Regional Projects Coordinator.
