3. For purposes of ensuring efficient implementation and monitoring of projects of assistance to ANC, PAC and SWAPO and in particular, of the Administrator and, through him, the Governing Council of UHng vgi " informed of the progress and trends in the implementation thereof, a self-evaluation is being organized in respect of all projects agreed upon since June 1982. The specific objectives of this evaluation will be to:

Review the progress of each NLH project since its commencement relative to the objectives and activities outlined in the project document;

Determine whether or not, and the extent to which the projects have been able to benefit the numbers specified in the project document and provide explanations or reasons in those instances where the envisaged number of beneficiaries has been exceeded or not. It is requested that the
