Dear Comrade,

The working committee of the National Executive Committee is preparing for a full NEC meeting in the near future.

As part of the preparations for this on-coming session of the NEC you are kindly requested to compile as comprehensive a report as possible on the following areas of work:

1. Students
2. Solidarity work
3. Diplomatic work
4. Cooperation with other groups, parties and liberation movements.

We shall be most grateful comrade if your report reaches us before March 15th. We appreciate the difficulties caused by this short notice but we know that you will do your utmost to assist the movement.

For the year of the Spear.
