THE CHIEF REPRESENTATIVE,
ANC OFFICE.
MAPUTD.

Dear Sir,

I hereby ask for a permission to get married to PASCOA NHLAZE, a Mozambican woman with whom I am in love (beginning from September, 1985), and with whom I have a child.

I was born in East London on 24 September, 1956. I am the second in a family of four children, the only son of Mr and Mrs Magunya.

I

I am currently working as a journalist for Mozambique News Agency, AIM.

I started working for the news agency in April, 1985.

I am a member of the ANC's D.I.P. (Department of Information and Publicity). I am also a functionary of NAT, the movement's Intelligence and Security organ.

Pascoa Nhlaze was born on 4 August, 1968, in Catuane, a small Zulu-speaking town near the border with South Africa. She is the fifth in a family of nine children.

Her mother, Maria Sonto Nhlaze, passed away last year at the age of 53. The whereabouts of her father are not known. Close relatives believe that he is in Portugal.

Professionally, Pascoa is a typist. However, she is currently not employed due to the fact that she has to complete this year her secondary school education.

Hoping that you will understand, and anxiously waiting for your response.

Yours in struggle,
BEN MAGUNYA.
