

Zimbabwe/0000/12
17/1/86.

ANC Community in Zimbabwe.

Office Staff

1. Reddy Mazimba
2. Jane Masemola - Secretary
3. Sipho Nhlapho - Treasurer
4. June Mogale - Assit. Treasurer
5. Sekorobelo Sibanda - Transport.
- Kingsley Xuma - Head of DIP.
7. Joyce Hadebe - Assit. DIP

- About three months of my arrival in Harare comrade Kingsley started his studies. There-fore the DIP was left with no body. We there-fore put Joyce Hadebe to assist meanwhile. Joyce can only distribute material. Comrade Kingsley is completing in April this year.

- Sipho Nhlapho is very difficult to work, the manner of approach on his work is machanical not political.

- He finds it very difficult to talk to people.

- As a treasurer people go to him for their welfare problems, there-fore he should be able to relate to people but he can not.

During December holidays we had families of the late comrade Mashaba, Khuzwayo and comrade Blakie Molefe's sister one of the Wankie comrades, and the mother of comrade Scarlet who died in 1983, in a motor bike accident. Comrade Sipho quarreled with them saying that they have finished with what they came for. They were very bitter about the treatment they have got from Sipho and this spoils the name of the movement.

June Mogale - Married a Zambian wife staying in Ashdown-Park residence. The relationship between her wife and our comrades is not good. This led to a point where we had to shift some of our comrades from Ashdown-Park.

- Up to now the situation in this residence is not yet normal, this came clear that she is the one who create this problems, unfortunately June seem to be standing with her. At one stage the husband said if the wife is problematic the Chief Rep should recommend that he should be transfered to Lusaka.

- As long as June's wife is still there we are not in a position to get a house for them only. Maybe it will be better if June is transfered, because these misunderstandings brings about an unhealthy situation amongs our people and them.

- Beside the above mentioned comrades, we ahve also the following attached to the Office.

1. Sydney Thwala.

2. Welile Malaza - He is now being transfered to Tanzania.

The government knows that, they are Office Staff members, but not working in the Office. They belong to other departments.

Also comrade Maxwell Kunene and Geraldine Thwala.

- As a result the number of the Office bearers is over the number allowed by the government.

- I requested two people to assist in the Office, one to be a administrator the other one a driver. The comrades in Tanzania recommended two comrades by the name of Sizwe Motha and Vusi Ngqubuka, who came here in Zimbabwe but within three months of their working here, ~~became~~ it be came clear that Zimbabwe was not a suitable place for them. Because of their behaviour I sent them back to Mazimbu. Therefore I still need two people to feel the space.
