Dr. Manto Tshabalala,
The Secretariat of the Health Team,
A. N. C.,
Dar-es-Salaam.

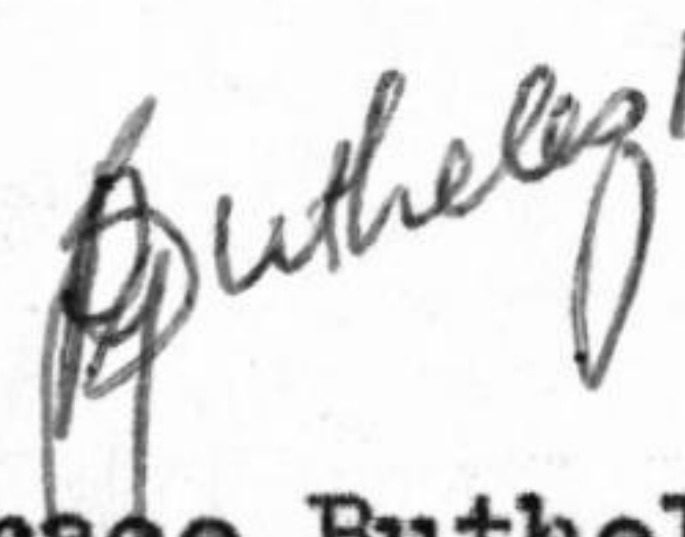

Dear Comrade,

Revolutionary Greetings.

As a follow up to our discussion last year about my going for training as a Medical Assistant (3 year course), may I please know if arrangements are underway to facilitate this? After having been here for a year I think it is time I resumed my studies.

Hoping to hear from you.

Yours in the Struggle,

Grace Buthelezi.

cc. Chief Representative.
Maputo Health Team.
Secretary General. (H.Q.)
