As member of the official delegation of the ANC, I want to express the wish that I could number you among the guests on the occasion of the luncheon which the French Minister of Foreign Affairs, M. Alain J UPPE will be giving for President MANDELA and his delegation at the Residence of France on Tuesday, the 18th of January 1994 at 12h30. I hope that you still retain pleasant recollections of the dinner with President and Mrs BADINTER and that your time-table will not be so full as it has been these last few weeks as a result of the work load of the multi-party negotiations.

A formal invitation as well as a map will be sent in due time. However please be so kind as to reply to Miss Florence MARION as soon as possible. Do not hesitate to tell us if

you have a transport problem .
