Dear Helena,

It was very heartening to return from a strenuous trip to Lusaka and find that our request for financial assistance to secure Wandile's ticket was so readily and positively accepted by the Foundation.

Allow us then to thank you and the Foundation for the generous contribution of 2000 FIM. We are profoundly indebted and hope that Wandile's trip to the workshop in Harare will benefit both himself as well as our Movement.

With kind regards,

Mohamed Hussein
Chief Representative.

Dear Helena,

Further to my informal discussion with you yesterday we hereby make a formal application for financial assistance to secure an air ticket for our student, Wandile Nkankula, who has been selected by our Education department to attend a workshop on adult education in Harare from 31/1/89 to 3/2/89.

The price of the ticket is 7765 FIM, but as we intend to ask other sponsors for assistance too we would greatly appreciate a contribution covering only part of the cost. At present we have definitely secured 2000 FIM and request a similar donation from your Foundation, however we would welcome whatever sum possible in line with your available resources.

Yours sincerely,

Mohamed Hussein
Chief Representative

Dear Comrades,

Our Department of Education in Lusaka has requested the presence of Wandile Nkankula, an ANC student studying adult education in Finland, to be part of an ANC delegation participating in a workshop: THE FUTURE OF ADULT EDUCATION IN SOUTHERN AFRICA, to be held in Harare from the 31st January to 3rd February 1989 and organised by the African Association for Literacy and Adult Education(AALAE).

Wandile is booked to arrive in Harare on 28/1/89 and depart on 5/2/89. AALAE will take care of his upkeep during the course of his stay.

We would be very grateful if he could be issued with the necessary visa to cover the duration of his stay in Zimbabwe.

Assuring the Embassy of Zimbabwe of our highest regard.

Yours sincerely,

Mohamed Hussein

Dear Comrade,

re: Adult Education Workshop, Harare 31 Jan- 3 Feb.1989.

Comrade Tikly has briefed me about your interest in the above workshop. It would of course, be useful if you were to be one of the participants at the workshop.

I will raise your request with the Secretariat of the Dept. of Education (DOE).

The workshop is organised by the African Association for literacy and Adult Education (AALAE).

For your information on this workshop, I hereby enclose copies of some documents that have come our way. These are:

- The project Proposal for this workshop (paper 17).
- The Draft Workshop programme.

You'll be posted on future developments on this matter.

Amandla.
