## 2. Countries to Visit

It would be useful for the group to be exposed to a cross section of Western European countries:

Germany  
United Kingdom  
France  
Italy

## 3. Programme/Itinerary

For the programme of the tour we have the following suggestions:

a. A seminar, held a day or two before departure, and jointly conducted by the ANC and the German Chamber to introduce the group to the countries they will be visiting.

The following items to be included in the programme for each country:

- a. Visits to Businesses
- b. Meetings with trade unions in these businesses
- c. Academics
- d. Youth and student groups
- e. Political parties : Governing, Opposition and Environmental.

f. Meeting with Chief representatives of the ANC

4. A Committee have been set up to assist the ANC in organising this event and who are presently liaising with organisations invited to nominate persons.
