Subject: Contract no. 90/9531/29

Dear Mr. Masemola,

I am pleased to inform you that under budget line 953.1, support to the Front Line States and to SADC Member States, the Commission has decided to support the project you submitted entitled:

"Continuation of a training programme of the Luthuli Cultural and Welfare Services - London".

I enclose 2 originals of the contract, which I would ask you please to sign and return to me as soon as possible.

I will subsequently send you your definitive copy after dating by the Commission, when the contract will take effect. Payment will then follow at the earliest possible moment under the terms of the contract.

I would like to draw your attention in particular to the following:

1. Above contract number should be mentioned as reference in all further correspondence related to this project;
2. As indicated in the conditions for the implementation attached to the contract

- any major changes in the project should be agreed with the Commission in advance,

- supplies purchased should be of European Community or ACP origin;

3. Please indicate in the two originals of contract (point 2) the account number and bank references related to this project. A separate bank and account number is needed for each contract under budget line 953.1.

4. The first payment under above contract will not be released before a final report on project no. 89/9531/18 has been submitted.

5. As resources under budget Ilne 953.1 are very IImlted compared to the tremendous needs, In partlcular as regards the resettlement of refugees Into South Afrlca, the most cost-effective tralnIng programmes have to be adopted. Thus, from 1991, the prInclple must be to utIIlIse the tralnIng opportunitIes In the Southern Afrlcan reglon, whIch effectively exlst In several countrles.

Yours slncerely,

LWM
