Dear Wally Serote,
Thanks for your letter of 28th February.
workload and deadlines and other day-to-day problems that
have prevented us following up on our initial meeting.
Although certain principles were agreed on, I do feel that
your notes possibly reflect a more definite "action plan" - /,
than we discussed. 5 //

We would certainly like to have a meeting to pursue our
mutual aims. Would you be good enough to contact me at
(011) 714-2750 or Nigel Vermaas at (011) 714-2752? Nigel
tells me he has been trying to contact you with regard to
another matter, but with no success, so it might be a good
idea for you to contact him anyway.

Regards,
Mullen /
