Dear Cde Bizzah,

Re: Nceba Nqana, Tom Zwane, and Andrew Nhlapho

Kindly find enclosed some documents from SAAEP on the courses for the above mentioned comrades. Hope you have received our telex message on Daniel Mafoko, Michael Msimango, Leo Dube and Nduduzo Fihlela.

Enclosed is a letter from Anne Kesterton on Abing ton College and some brochures from Berkshire College of Agriculture. Please inform the comrades to send individual letters to Ann Yates to confirm their acceptance of the offers.

Their telex in Oxford seems to be out of order kindly use other means of contacting them when sending those ticket invoices.
